

Race Rules and Regulations

**It is the responsibility of each participant to be aware of and follow these rules.
Failure to do so may result in disqualification.**

Swim

1. Participants must wear the swim cap provided in the race kit.
2. Swim will be a wave or rolling start. Participants will wait in pre-selected corresponding swim start area. Start areas with predicted finish times will be set up on the beach area before the swim start arch. Age Group Participants will be released in a continuous flow, based on the following predicted finish times.
3. Each participant's start time will begin when they cross the start line timing mat.
4. Any stroke of a forward motion can be used.
5. Participants must not at any time use the buoy ropes to propel them forward. This will result in disqualification.
6. Participants are allowed to use kayaks, boats and rafts as flotation aids, as long as no forward progress is made. Any forward progress will result in disqualification.
7. Participants must have their race number displayed on at least one of their upper arms prior to the start of the swim.
8. Participants must complete the entire swim course unassisted. Failure to complete the course correctly will result in disqualification.
9. Participants may not use fins, snorkels, flotation devices, gloves, socks or booties at any time during the swim. Calf sleeves (compression sleeves / socks) will NOT be allowed during the swim. Use of these items at any time during the swim will result in disqualification.
10. No individual escorts or paddlers are allowed at any time during the swim.
11. Wetsuits may be worn in water temperature up to and including 24.5 degrees C/76.1 degrees F.

5. All participants will surrender their timing chip to race officials immediately after crossing the finish line.
6. A participant must complete all three legs of the race in full before each of the cut off times or be disqualified. A participant who is disqualified (or cut off after the swim or the bike) will not be permitted to continue the race.
7. If for any reason a participant cannot finish the race, they must report to the finish line area and return their timing chip. This will result in a DNF (did not finish) result.
8. In Transition, it is the responsibility of the participant to ensure all race gear is placed at the base of their respective bike rack position.
9. Only participants wearing the official event wristband and race officials will be allowed to enter transition before, during and after the race. No family members, support staff, personal bike mechanics or photographers will be allowed in transition at any time.
10. Do not place any items (shoes, towels, clothing, etc.) beyond the front wheel of your bike inside transition. No glass containers of any kind will be allowed inside transition.
11. Bike and Bag collection will open at assigned time in the event schedule for collection of bikes and transition bags. Any bikes or bags remaining in transition after assigned closing time in the event schedule will be left unsecured as the transition area will be closed and race security removed from the area. Bikes and bags can only be collected by the **PARTICIPANT** - family members, support staff, coaches, and drivers will **NOT** be allowed to check out bikes and bags from transition. Participants must show their race ID band as identification to check out their bike.
12. Relay participants must remain in their respective waiting tents at transition until their teammates arrive. They cannot leave the waiting tent unless given permission by a race official. Once a relay participant has completed their leg of the race they may leave the waiting tents but may not reenter transition.
13. All medical expenses occurred during the course of the race or as a result of the race are the sole responsibility of the participant.
14. MP3 players or any kind of personal music / listening devices with headset are not allowed at any time during the race. Use of a headset at any time during the race will result in disqualification.
15. Non-racers, including the relay swimmer and biker, and family members cannot run or walk alongside a runner in the finishing chute - this includes participants carrying children in their arms as they cross the finish line. Please make every attempt to cross the finish line individually, not in a group to ensure your time is correctly recorded.
16. If a participant loses or forgets their timing chip prior to the swim start, they must report immediately to a race official at the swim start area. If the timing chip is lost during the course of the race, the participant must report the loss to a race official and pay a replacement fee upon completing the race.
17. Full disclosure of a participant's medical condition(s), general health and surgical procedure within the previous 12 months is required. Medical consultation/clearance may be necessary from an attending physician prior to acceptance into the race.

In all cases, the final decision of medical consideration is at the discretion of the event Medical Director.

18. Participants may be requested to undergo drug-testing procedures before and after the event. If you are requested to do so, you hereby agree to abide by such testing procedures. If a participant tests positive to any banned or illegal substance they will be disqualified.
19. Medical personnel shall have **ULTIMATE** and **FINAL** authority to remove a participant from the race if the participant is judged to be physically incapable of continuing the race without risk of serious injury or death. Medical transport of any participant will result in disqualification.
20. Age group classification is based on the participant's age as of December 31, 2021.
21. Relay teams must consist of 2 or 3 participants. A relay participant may only race for one team. An individual participant cannot compete as part of a relay team.
22. Consider the safety of yourself and other participants at all times during the race. Treat other participants, race officials, race marshals, medical staff, traffic enforcers, and spectators with respect and courtesy before, during, and after the race.
23. Foul, harsh, argumentative or abusive language, or other unsportsmanlike conduct directed at race officials, another participant, race marshal, medical staff, traffic enforcer, or spectator will not be tolerated before, during, or after the race and will result in disqualification.
24. Any protests relating to race results must be submitted in writing to the Race Director within one hour of the final race cutoff.
25. In case of severe weather on race day, IRONMAN reserves the right to make the necessary adjustments to the race course to ensure the safety of all participants. These decisions will be made on race morning and announced at transition and the swim start.
26. Race numbers and race registration are non-transferable. Any attempt to transfer registration will result in disqualification.
27. IRONMAN reserves the right to make rule changes at any time provided all athletes are notified in writing and/or at the pre-race athlete briefing meeting.
