

REQUEST FOR SPONSORSHIP

Wellington Volleyball Academy is a competitive volleyball club located in Wellington, Florida. Our club consists of teams, ranging from 10U to 17U age groups. These teams are made up of passionate volleyball players from Elementary, Middle and High Schools from Wellington, Lake Worth, Royal Palm Beach, West Palm Beach, Boynton Beach, among other towns in the area.

Club volleyball is an opportunity for players to build their volleyball skills and compete at a high level outside of the regular school volleyball season and recreational leagues. Teams travel around Florida to compete with other highly competitive clubs.

In order to achieve the club's goals and provide athletes the continued competition necessary to further their development, some athletes are looking for financial support from individuals and businesses to help meet their individual and team goals. With your support, you would be offering an opportunity to athletes who might not be financially capable of participating in this sport or by extending their playing experience in higher level competitions.

We are a 501(c)(3) non-profit club and we rely on the support of individuals and local area businesses to help provide these services to the youth in our community. Your sponsorship is tax deductible and will be acknowledged on the sponsors page of our website.

Funds are used to cover:

- Extra tournaments Entry Fees
- Extra Skills Clinics and Conditioning
- Uniforms and equipment
- Athletes Scholarships

We graciously ask you to consider supporting Wellington Volleyball Academy and the athletes therein. If you have any questions or concerns, please feel free to contact Michael Henao or Nestor Garrido via email at wellingtonvolleyballacademy@gmail.com

We thank you for your consideration.

Sincerely,

Nestor Garrido
