- Each age group is played as two divisions or round-robin
- The two top teams in total points in the age group or divisions within the age group will advance or the bracket winners will advance
- If there are an odd number of teams, there may be a round-robin with no finals and winner being chosen based upon total points (i.e., five-team groups). In this case, each team will play 4 games instead of three.

This requires surrender of the pass to the State Office coordinating suspension, who will manage the return of the pass to the team's parent organization. No exceptions will be made to this policy.
 - All red cards will be reported to NYSWYSA in the post-tournament report for tracking.
- A coach receiving an ejection during play will be removed from the field and the location of the game for the remainder of the game and will be suspended from the next tournament game, they are not permitted within the location of the game during their suspension.

The tournament director, and any necessary committee, will determine the match outcome for each team, be it win, loss, draw, or forfeit. The committee will also determine disciplinary action.

Inclement Weather

Coaches and players must appear on the field, ready to play, regardless of weather conditions, except when advised by the Tournament Committee. Only the Tournament Committee may cancel or postpone a game, delay it, or reduce its length. If the game should be terminated in process due to weather conditions after completion of one half of play, the game will be considered official and the score final.

The Tournament Committee will determine if it's reasonable to attempt a continuation for the remainder of a game if ½ of the game was not played prior to stoppage. If the weather conditions make it impossible to continue the match, the Tournament Director has the right to call the game complete where the game originally ended. Furthermore, the Tournament Director may reduce the length of subsequent games on the schedule by up to 50% and/or change field locations if deemed necessary to complete the entire schedule by the end of the day due to the impact of extended inclement weather.

Once the tournament begins, there are no refunds for any reason.

Match and Score Reporting

- Referee completes match scorecard after the completion of each game, including the record of any infractions (yellow and/or red cards)
- Match scorecards must be signed by a team staff representative of each team at the completion of the match
- Match scorecards are collected by the field marshals at each venue. Scorecards are collected immediately by our tournament scoring administration staff
- Scoring administration will update the web site and scoreboards located at the headquarters

Results and Standings

Standings will be posted at tournament headquarters as soon as possible after the conclusion of games, and posted to the web site as soon as possible each day.

Ties will stand and there will be no tie-breakers or overtime periods in the preliminary rounds. For games that determine advancement refer to sections for Tie Breaking.

For preliminary rounds the standings within a group shall be determined on the basis of the following

Win: 3 points

Tie: 1 point

Loss: 0 point

Shutout: 1 point to winning team (not applicable to 0-0 scoreless match, or forfeit)

Note: There will be a 1 point deduction, per occurrence for ejection of anyone associated with your team

Tie Breaking methods are as follows

1. Results of head to head games
2. Most wins
3. Goals scored vs goals against (3 goal maximum/game)*
4. Least goals against (3 goal maximum/game)*
5. Shut Outs
6. Penalty kicks from the mark taken alternately, according to FIFA Laws of the Game
 - In some cases, tie breaker kicks from the mark for determining semi-finals and finals may not occur directly after a round robin match, as other matches may need to finish before determining if the tie breaker needs to be taken. In this case there may exist an exception to the Laws of the Game (i.e., only players left on the field at the end of the game are eligible to participate)

* The 3 goal maximum is applied to the goal differential computed from the final match score. For example, a 6-2 match score yields a 4 goal differential, which is capped at 3.

Note: When more than two teams are tied, the tie-breaker system will be used starting with #2 until the tie is broken

Tie breaking methods for Semi-finals and Finals

1. No overtime periods for tie-breaking
2. Penalty kicks from the mark taken alternately, according to FIFA Laws of the Game

Awards must be picked up at the tournament headquarters at Total Sports Experience. Awards shall be distributed immediately following the last match in the team's division.
