- VII. Developmental Leagues Update – Joe (15 mins)
 - **1st & 2nd Grade Update**
 - 185 Total registered as of 12/12/22- 183 are active, 2 refunds
 - 1st Grade Boys = 55
 - 1st Grade Girls = 33
 - 2nd Grade Boys = 55
 - 2nd Grade Girls = 41
 - Last year we had 200 active players registered for 1st/2nd grade.

- I will probably need to run 4 clinic sessions based on these numbers. I am considering running these sessions at 45 minutes instead of 1 hour based on how the 3rd grade clinic went.
- Jason Schmit questions:
 1. Can you please help me build the teams on SE again?
 2. I may need your help filtering out registered coaches for this league from the coaches registrations...
- **3rd Grade Wrap Up**
 - The season went well. I did receive some concern on the girls side regarding “team stacking.” I allowed a board member to influence the placement of a few girls on the same teams, and I shouldn’t have. This made for a less than ideal experience for those other teams of girls who were brand new to the game, expecting a more balanced game experience.
 - I told the coaches the goal of this league is to “have fun, get better” and the coaches that I talked to after the season said these goals were met with their team. We had a great overall group of coaches for this league.
 - A lot of requests that are out of the control of CAA
 - Multiple activities on Saturdays caused some teams to be short players
 - Requests for different locations of practices or a set game time on Saturdays. easy for me to explain this isn’t an option.
- **Uniform & Equipment Inventory: (Shaun/Bill)**
 - Shaun has ordered more uniforms based on the inventory update I sent him
 - We hope to have in time to distribute to 1st/2nd graders at the January 7th clinic.
 - I will connect with Bill Jan 2ish with the amount of teams/bags/uniforms needed, so I can distribute at Jan 7 clinic or 1st day of practice.
- **Referees for 3rd Grade Jamboree: (Kayla/Corey)**
 - Thank you for providing players for officiating the final week. I heard from a few families that they really enjoyed having them, and the kids felt like it was a real game.
- **Schedule updates: (Andrea)**
 - I originally thought about extending 1st/2nd grade to March 18th, but will keep the end date March 11th. That way all developmental levels have an 8 week game schedule.

CAA / Timberwolves Night

- Yes, let's do this.
- Need to find a night. Will be at the end of the season.
- Tuesday, March 7th, vs 76ers. 6:30 start time.
- All of the programs will be wrapped up by then.

Google Workspace

- We have this now.
- Action item for Dave over the holiday break.

Adjourned – 9:08pm
