

DEERFIELD HIGH SCHOOL

WARRIOR FOOTBALL

Head Coach Steve Winiacki

Future Deerfield Warrior Players and Parents:

Football has always been a part of my life. It started with being on the practice field with my father, to my years of playing, to now leading the Deerfield High School Football Program. The main reason I choose this path for myself, and have stayed involved in the game is because of the lifelong camaraderie and life lessons football teaches that no other sport can match. This experience is not unique to me or others who stay in the game. There are many past Warriors who are now doctors, lawyers, authors, leaders of business, entrepreneurs, educators, and a Super Bowl Champion who will credit Deerfield Football for laying the foundation for their current success. By playing Young Warrior Football you will start on a path that will lead to much more than wins, but also great memories and lessons that will last a lifetime.

The Young Warrior Football Program will teach you the correct and safe skills, techniques, and concepts needed to compete at your appropriate level of football. The Young Warrior coaches will be trained by the DHS staff in the most up-to-date practice methods that mirror what we do at the high school level. You will be provided the opportunity to purchase top flight equipment and use similar practice gear as the high school players do.

I would like to invite you to start, or continue, your journey along the path that will lead to playing on Friday nights at Adams Field. The commitment and dedication that you will learn in Young Warriors will translate to all facets of your life. I am looking forward to meeting you at sign-ups, at a Young Warrior game, or one of the many events we will be hosting at DHS.

GO WARRIORS!
