ABOUT

The Wisconsin Sports Services (WSS) is a 501c(3) non-profit organization created to serve the youth and adult sports populations existing in Wisconsin.

The organizations hold their non-profit status based on an educational foundation. Both the WSS and MYAS offer educational programs for coaches, umpires, referees, players and parents. The athletic programs are the 'lifeblood' of the organizations where the educational programs provide the 'skeletal structure'.

In five+ years of operation, we have created programs in the sports of youth basketball, youth baseball, youth fastpitch, youth wrestling, and adult slow pitch.

All events ran by the WSS are 'hosted' by a local sports group that shares in the revenues created by the event. Every event is essentially a fundraiser for the local sports groups in the communities of Wisconsin.

ROAD TO THE CHAMPIONSHIP

[CLICK HERE FOR MORE INFORMATION!](#)

The background of the entire page is a grayscale photograph of softball players in blue and white uniforms celebrating with their arms raised. In the top right corner, there is a circular logo for the Madison Area Fastpitch League (MAFL). The logo has a yellow center with a blue silhouette of a softball player swinging a bat, with the letters 'MAFL' in blue. The words 'MADISON AREA' are written in blue around the top half of the circle, and 'FASTPITCH LEAGUE' is written around the bottom half.

INTRODUCING THE MADISON AREA FASTPITCH LEAGUE

Previously known as the Greater Madison Metro Fastpitch League (GMMFL), Wisconsin Sports Services and Badgerland Softball have decided to rebrand the GMMFL in 2021 to broaden our offerings to a larger softball community.

Looking back on the GMMFL, we felt our league was directed towards one specific audience. In order to provide the Madison Metro area with a high quality league that caters to all competitive levels, we decided to rebrand the GMMFL into what is now the MAFL.

The MAFL will offer two divisions. The Open Division is designed for higher competition level based (A/B) teams. The Community division is designed for community and rec level teams (low B/C) looking to develop their skills while playing against teams throughout the metro area.
