

Registration Overview

With over 500 players participating each season, BHYSC (Barbers Hill Youth Soccer Club), South Texas Youth Soccer Association (STYSA, and United States Youth Soccer (USYSA). We have two seasons a year, one in the fall that typically runs from September through November, and our spring season which generally starts in late February and finishes in early May. Our leagues are for birth years 2003-2015, although the number of registrants can dictate our ability to create a league. For all ages, we generally have two practice during the week and one game on the weekend. At the conclusion of each season, we'll host playoffs at the end of the season for division U8 . Shorts, jersey, socks and soccer ball will be provided by the league, shoes and shinguards should be provided by the parent. Q: What if I want my child to play soccer, but we already know there will be conflicts with the season schedule?

Q: What if I want my child to play soccer, but we already know there will be conflicts with the soccer schedule?

A: Many families have schedule conflicts throughout the season. If there will be many times that your child will not be able to make training or games, perhaps soccer may not be appropriate at this time. Q: When will I know if my child is registered, what team they are on, and other details about the season?

A: After registration ends in January or August, Board members will be busy organizing the registration & assisting Coaches with setting up the soccer season. In the week following registration closing Coaches will contact their players. You may contact the appropriate age-level commissioner if you have not been notified a week ahead of the first game.
