Pediatric Cancer Foundation

In the memory of Joey Sykes, a former St. Raymond student who battled a rare form of pediatric cancer with great courage, determination and optimism, the St. Raymond Athletic Association is proud to host the 18th Annual Joey Sykes 8th Grade Boys Basketball Tournament.

The tournament will feature sixteen 8th grade boys teams competing over four days in the St. Raymond School and Lincoln Middle School gyms. The tournament features a Silver and Gold bracket as well as a 3-point contest on Saturday during the lunch hour. Our tournament has grown and we appreciate Lincoln Middle School for opening up their gym space for the tournament!

St. Raymond will donate a significant amount of net proceeds (concessions, raffle, admissions, etc.) to the Bear Necessities Pediatric Cancer Foundation in the name of Joey Sykes. St. Raymond is proud to have donated tens of thousands of dollars over the 19 years of this tournament. We appreciate the involvement of the Sykes Family in the tournament and for their time and dedication in sharing Joey's spirit with us all.

Special thanks to all the area businesses and sponsors for their generous support of our tournament. We ask you to please patronize our sponsors and be sure to thank them for their support.

Thank you to our amazing volunteers who so willingly give of their time and talents to make this a successful tournament.

We would also ask that all guests this weekend to please conduct yourselves in accordance to our Catholic values and enjoy the games here in Joey Sykes's honor.
