

2020 Simsbury Rugby Club Scholarship

The Simsbury Rugby Club is dedicated to fostering an inclusive environment that furthers both the Boys and Girls rugby teams. One way we support these efforts is to recognize player achievements through scholarship awards.

The Simsbury Rugby Club will be awarding \$500 non-renewable scholarships to one senior boy and one girl player this year. Eligible candidates must have played at least two years on one of the SHS Rugby teams and be a graduating senior with plans to attend a college, university, trade school, apprenticeship, or who is entering the military.

The goal of the Simsbury Rugby Club scholarship is to recognize players who are role models that positively represent their school, their team, their coaches and their fellow players, on the field, in the classroom and in the community. Accordingly, consideration will be given to candidates that have consistently met these goals by demonstrating the following:

1. Consistent effort and teamwork by supporting the rugby program in a positive manner. This is done in practice, on the sidelines, in games and during outside rugby events.
2. Earned respect from their teachers and school officials, while demonstrating consistent effort in school.
3. Involvement in community activities and charitable events.

Eligible candidates should:

- Obtain the Rugby Scholarship Application in Google Classroom (code **5n5y5s7.**)
- Complete the application and a 300-500 word essay that addresses each of the goals of the scholarship award.
- Obtain at least one brief recommendation that supports their community involvement and at least one brief recommendation from a current year teacher. These recommendations should be in the form of an email sent directly to Coach John Mudano at jmudano@simsburyschools.net.
