

More completed projects during our down time at the rink. Our lobby in Drewiske got a much needed makeover.

We also painted and added new seating to our score booth. As you know running the clock, music, doing the announcing or keeping the score book is part of parents responsibilities during games. Now you can enjoy doing these activities in the new chairs!

We are looking for volunteers to assist in planning this event. We need 1-2 to represent the following as leads:

Boys Youth HHA
 Girls Youth HHA
 Boys High School

HHA History

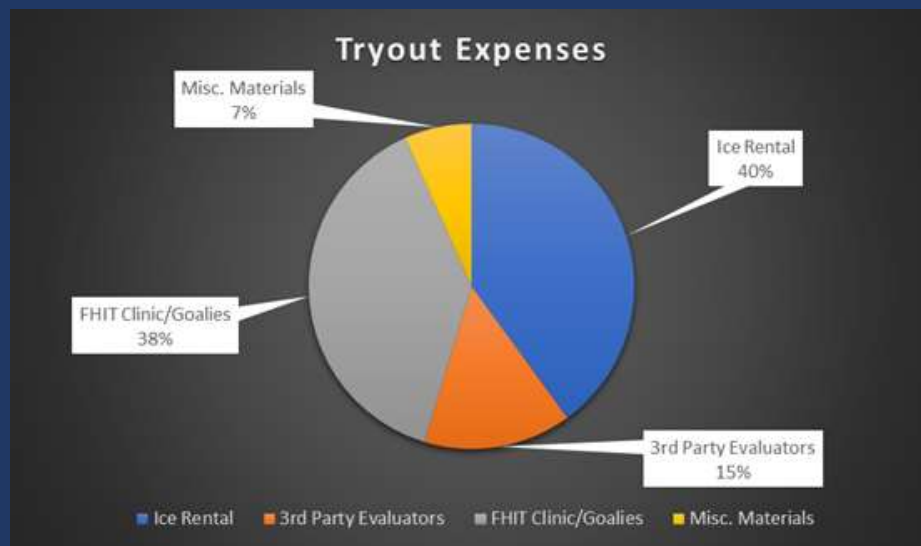

HHA was formed in 1975. They skated outdoors at Burton Park and had 75 skaters that year. They moved indoors in a Teflon-coated bubble in 1980. The original boards inside were purchased from the NY Rangers which lead to HHA originally picking red, white and blue as the associations colors.

Try Out Fees

Do you ever wonder why you get charged for tryouts and what exactly the fees cover? For starters, it is an additional expense charged to players because it is an optional add-on, meaning not everyone participates in tryouts and at certain levels tryouts are not even available. When completing the annual registration fee analysis, tryouts are excluded for this reason and is treated as an add-on feature. In FY20, HHA collected \$7,500.00 in registration fees. While the actual expenses vary slightly year over year, on average as shown in the chart below, 40% of fees cover ice rental expense, 38% for 3rd party goalie tryout assistance, 15% covers 3rd party (non-parent) evaluator expenses, and 7% covers miscellaneous tryout expenses. Miscellaneous items typically include food for volunteers, signage, and various equipment needs. Should you have any additional questions regarding tryout fees, please contact Mitch Kullman, Vice President Support of Hockey Operations or Anthony Aderhold, Treasurer.

Welcome back to Hockey in Hudson, Wisconsin.

Welcome Back to Hudson Sports & Civic Center!

Two months ago, we shut our doors and took out our ice in Gornick and Drewiske due to COVID-19. The future was unknown, but we are happy to announce that our ice is back in and we have once again opened our doors. Currently, there are no HHA programs running, but we are offering ice rental.

Hudson Hockey wants to provide a safe environment for all renters. We are constantly reviewing and making adjustments as needed to improve the safety of our facility and renters. We are following guidelines and waivers must be completed before renters/skaters take the ice.

We currently have staff that is working hard to disinfect and maintain our rinks between groups renting the ice.

Are you or someone you know interested in renting ice? Visit HudsonHockey.com to see available ice rental times.
