Downloading the GAMESHEET App

INSTRUCTIONS for download:

1. For iPads running iOS 12 or newer, open the Safari app and enter the following URL:

   https://gamesheet.app/ipad/install

2. For older iPads running iOS 9, 10, or 11 open the Safari app and enter the following URL:

   https://gamesheet.app/ipad/beta/install

3. A window will open asking you to install. Say "yes" or "install" to the prompts and then click the home button.

4. The app will install on your home screen.

5. If you are installing for the first time, you will need to "trust" GameSheet Inc. as an Apple Enterprise developer. To do this open the Settings app on the iPad: and navigate to: Settings → General→ Device Management → GameSheet Inc → Trust

6. GameSheet should now be installed. Tap the icon to open the app and sign in using our League's iPad Access Key.
