## \$3.9 MILLION OUT OF \$8 MILLION

## We need to get above \$6 Million to start construction

The timing of construction start and end dates is dependent on several factors, the most important being fundraising! Given the anticipated lead times on construction materials, the sooner we achieve our fundraising goal, the sooner we can begin. Contributions now and through the summer will help determine if I.C.E., Inc. can open the new rink in time for the start of the 2023-24 season.

Gifts of any amount, large or small, are valuable to our mission of "Ice for Kids of All Ages," and your generosity is greatly appreciated. We have a PayPal option to donate and a donation form is available on our website.
