Adverse Weather

The National Adult Baseball Association baseball tournaments may be played in adverse weather conditions. The NABA reserves the right to change the format of the tournament to lesser time limits, fewer innings, or reduce the playoff format in whatever means possible to complete the tournament. NABA coaches, managers and players accept these conditions when entering the tournament, and will adhere to the changes in the format and schedules where needed to complete the tournament.

Refund Policy for Adverse Weather

There will be a \$250.00 team administration fee charged for complete rain out of the tournament; if one (1) game is played, 50% of the team entry fee will be refunded; if 2 or more games are played, no refund. THE NABA IS ONLY RESPONSIBLE FOR THE PARTICIPANTS REGISTRATION ENTRY FEE TO THE TOURNAMENT, AND IS NOT RESPONSIBLE FOR ANY PARTICIPANTS TRAVEL PLANS, ACCOMMODATIONS, CAR RENTALS, OR FLIGHTS IF THE TOURNAMENT IS ALTERED BY EVENTS OR HAPPENSTANCE BEYOND THE CONTROL OF THE NABA, INCLUDING, BUT NOT LIMITED TO, INCLEMENT WEATHER, WAR, RIOTS, CIVIL DISORDER, FIELDS BEING OUT OF ORDER, OR ACTS OF GOD.

Refund Policy Prior to Tournament

Once the tournament bracket or schedule has been sent to the Fields and Umpires there will be NO refund. If the schedule has not been sent to the fields or umpires and you call 15 business days before the tournament start date a full refund will be given minus the deposit. If the schedule has not been sent to the fields and umpires and you call 8 to 14 business days before the tournament start date, 50 percent of your fee will be returned minus the deposit; and if you call 7 or fewer business days before the tournament start date, no refund will be given.

Cancellation of Funds Policy After the Tournament

No refunds will be given for players after the check-in registration process, regardless if players fail to show, and once your roster is established and final. If you cancel payment after the tournament you will be responsible for the final tournament fee per player, the collection fees to collect from you, and a \$100 inconvenience fee.

Deleted Divisions Refund and Transfer of Balances

The NABA reserves the right to add, delete, merge or create divisions or divisional formats based on the number of teams entered at any time before the tournament, and will give every effort to give teams advance notice, however NABA may not be able to do so. If a team planned to enter a deleted division, that team may play in another division or receive a refund minus your deposit, or transfer the balance to another NABA National or World Championship Tournament, provided it is at least 5 days prior to check-in.

Special Start Requests

Before entering a National Adult Baseball Association tournament, make sure your team has no other conflicts on listed tournament dates. NABA cannot accommodate any special game time requests unless specifically approved by the Tournament Director! Teams need to be prepared to play at *8:00am* until 11pm throughout the tournament including playoffs and championship games. **If you have a schedule request and it is granted, then it is possible your team may not have a stadium slot available to play in due to the request. Since fields are prepaid for, if the schedule is released and you ask for a different time slot to play in, then your team will be financially responsible for the additional time slot that will be needed to fill your request. Schedule requests must be submitted in writing utilizing our online schedule request form. Schedule requests must be submitted no later than 3 weeks prior to start of the tournament. Any schedule request within 3 weeks will be considered, but we may not be able to accommodate.**

Tournament Credits

Tournament teams may use only one credit per tournament. NABA does not allow multiple discounts to be used for any one tournament, For example: you may use either the League Championship Award Program or the Tournament Credit Award Program for a tournament discount, but you may not use both at the same time. If a team chooses to use a credit for a deposit on the tournament, and then drops out of the tournament the NABA will not transfer the credit to another tournament. The credit is being used for a non-refundable deposit toward the tournament. If you want the credit to transfer to another tournament, then you must pay a deposit instead of using your credit.

Tournament Awards

All tournament awards must be submitted by the end of the calendar year for each tournament. If the awards sheet is not turned in by the end of the calendar year, NABA will give a credit to the team toward the same tournament the following year. The credit will be determined by the cost of the award and the number of players on the roster. Furthermore, any team receiving awards for a tournament will receive the number of awards based upon the value of the award and the amount the team paid to enter the tournament. If the awards cost more than the amount paid to enter the tournament, then the team will be responsible for additional amount of the awards above their entry fee price.
