Varsity Overview

Tonight brings the official conclusion to the 2016 – 2017 wrestling season – another successful campaign. Continuing tradition in Edwardsville Wrestling is no easy task. The 2016-2017 Tiger Wrestlers challenged themselves to reach the accomplishments of past Tiger Wrestling teams. Most EHS wrestlers put in numerous hours of off-season wrestling and weight training from March – November, giving them an opportunity to reach their goals. This is often referred to “Journey”. All though not always fun and desirable, a constant that needs to be withheld, so that we may continue to have seasons like was just witnessed.

This year’s hard work and effort propelled the Tigers to another Southwest Conference Championship. This was the sixth in a row, and 9th out of the last 11 years. This year there was no sharing the Championship, and the conference was strong, as always. Depth was again one secret to the teams’ success, as we used 35 wrestlers at one time or another on the Varsity level. As most seasons, with our rigorous schedule, injuries did occur, and many other wrestlers had to step up. Wrestlers were stepping in and out of the line – up all year without a blink. This has been a cornerstone of Edwardsville Wrestling for years. This year was no different, enabling us to finish the regular season 23-3 and rattle off the last 12 regular season matches. The Tigers placed a best ever 6th place in the always tough “Dvorak Tourney” and a respectable 14th place in what I believe has been the toughest “Cheesehead” Tournament that I have been to. The Tigers placed 5 in the top 8, highlighted by Luke Odom’s 1st trip to the Cheesehead finals. The Tigers put everything together at the end of the season, winning their 6th straight Regional Championship, and losing a tough fought 40-19 dual vs. State Champion – Lockport (bad draw)) at the Dual Team Sectional. This year was the first time in school history that 2 wrestlers stood on the medal stand at the Individual State Tournament, as Luke Odom placed 3rd and Noah Surtin placed 5th. Baylor Montgomery and Rafael Roman were also close as they qualified for state for the 1st time.

This year’s team had a heavy dose of seniors. Seven seniors all together, along with three Senior Stat girls were on the team. The seniors were busy as they all represented their team, and parents well and contributed largely to our teams Success. All the seniors seemed to enjoy the season, the comradery, and the many of trips that we are fortunate to take. It was a special group that definitely worked hard for each other. There have undoubtedly been many friendships made throughout their years and wrestling career, along with special moments that will never be forgotten. In a sport as hard as wrestling, the guys undoubtedly endure ups and downs along the way. The career is filled with learning experiences that will help with further and future endeavors. From a coaches stand point it has been a great ride. **“Remember the Journey”** and never forget that once you are a **Tiger Wrestler, you are always a Tiger Wrestler**. Wrestling on the mat may be over for some of you, but the sport and the Journey will be with you forever.

With such a talented and large group of Seniors departing, filling their spots will be no easy task. Although we are losing 2 state qualifiers and numerous lettermen, the talent that remains in the Tiger Wrestling room is enough to provide future years of excitement. Both State placers will return again next year. This year’s freshman and JV teams were as dominant as they have ever been. We by no means can rest on this, as our opponents will be working hard also. Like in the past, the task can only be accomplished by hard work and dedication that past Tiger Wrestlers have endured. We need to continue to work hard and never forget what got our program to the level that it is at. The off season starts soon, and if not out for another sport – Spring/Summer wrestling and weightlifting should be attended. No matter what your grade level, let’s set our goals for surpassing this year’s accomplishments. Let’s reach what some think is unreachable.

Seniors, thanks again for the effort and memories we all share. Stat -girls, thanks for all your hard work and dedication. Coaches – thanks for being the best staff around and dealing with me. You continue to work harder for these young men, consistently attempting to have them reach their goals. To all middle school and EWC coaches, thanks for providing me with the wealth of talent that you do each year, making my job a lot easier. Thanks parents and Booster Club members for enabling my vision for our program to come to fruition and supporting me, Edwardsville Wrestling, and your son. Edwardsville Wrestling is the culmination of many working toward one goal – success, fun, and a memorable journey. I have watched these boys develop into men, ready to take on life’s challenges, responsibilities, and hardships. It is with hope that (along with your strong parenting) the great sport of wrestling may have had something to do with it. I would think it has.

2016-2017 Junior Varsity Season Overview

This year's junior varsity team had another outstanding year for our program. This group of young men that I had the pleasure of working with on a daily basis will be our future one day soon. If they continue to work hard like they did throughout the season and commit themselves to our offseason program let's just say the future is bright for Tiger Wrestling. Each of these young men should be proud of what they accomplished this season no matter what their individual records were. As their coach I am proud of what they were able to achieve this season as a team.

This year's junior varsity team had an undefeated dual meet record of 19-0. They were the Southwestern Conference Champions (SWC) this season with the help of many freshman/sophomores in the lineup. The team also competed in three tournament this season: Mehlville JV Duals (1st Place/16 Teams), Mt. Olive Varsity Tournament (2nd Place/15 Teams) and the annual SWC Dual Championships (1st Place).

After starting the season 9-0 in duals the team traveled to Mehlville High School during Christmas break to participate in their holiday tournament. This is always a fun time of the season to see where we were at with some of top programs in Missouri. As usual we competed extremely hard and flexed our muscles to a 5-0 mark on the day to capture the team title for the fifth straight year.

This season we tried something new with the schedule by entering our JV team in a varsity level tournament. We normally have three to four kids that would be varsity at many other schools in our area so why not. We went to the Mt. Olive tournament which turned out to be a great fit for our team. I was extremely proud of the team and the way they competed throughout the tournament. Taking 2nd place to a very good Whitfield, MO. team had us feeling very good about the depth of our lineup and the direction our program continues to go.

The JV team capped off a perfect season finishing their business at the SWC JV Dual Tournament. The team dominated their pool going 3-0 with wins over Alton, East St. Louis and Belleville East. Once again the team had more individual champions, runner-ups and third place finishers than any other team in the conference.

I would like to thank the parents of all the wrestlers for supporting their sons this season, without your support it would be very difficult to be the program we are today. I appreciate the time you allow us to spend with your sons and helping you mold them into great young men of character on and off the mat.

I would also like to thank the senior wrestlers/parents and managers for their hard work, dedication and passion you have shown for the program over the years. It means a lot to me and the rest of the staff. We would not be where we are today without your support. Lastly, I would like to thank all the coaches from EWC, Liberty and Lincoln Middle Schools and our Booster Club for all you do. You are all a big part of our success and I thank you.

Coach Matarelli

2016-2017 Freshmen Wrestling Season Overview

The freshman had another dominating year for the Tiger Wrestling Program. The tigers were undefeated again this year having an overall 9-0 dual meet record. Unfortunately, due to circumstances out of our control, we did not get to compete in as many dual meets this year in part because of the weather not cooperating. We were able to get the freshman so more competition at the JV level though, which the guys did a great job with. This is a very talented group and it could be an exciting next 3 years with these athletes in our program.

Our season had many highlights including 9-0 overall dual team record and another conference championship at the freshman level. The Tigers outscored our opponents 608-87 in dual competition, averaging almost 68 points per dual meet. We also took 1st place at the O'fallon Freshman Tournament where we won by a convincing margin. Our freshman also competed in JV and Frosh-Soph events where they excelled even against more seasoned competition. Unfortunately, the weather did not allow us to compete at the exciting Glenbard North Tournament this year, but we are looking forward to competing there next year. Besides the victories, a highlight for the team, especially the coaching staff, was how hard this group trained. This group of Tigers were very dedicated, and came to practice everyday with a very workman like attitude and were very coachable. No doubt that the work ethic and willingness to be coached translated into a very successful season!

We would like to thank the parents for getting the guys to meets and practices, and helping the program with various other activities. You were a great help this year and we appreciate all you have done for your kids and the wrestling program. If it was not for you than we could not have as much fun as we did this year. It takes very dedicated parents for wrestlers to excel, and all the accomplishments on the mat can also be attributed to you.

We would like to thank the coaching staff for making this another great year. We hope the parents and wrestlers realize how lucky they are to have dedicated coaches like this in our program. The coaches put their heart and soul into making this one of the top programs in the state while doing things the right way in the process.

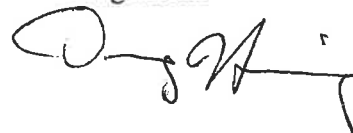

As in any sport, you have to have dedication, a great work ethic, and toughness to become great. All of these things are achievable, but you have to block out the distractions. This is a very tough sport that many people choose not to compete in because of the heart and desire it takes to succeed. I have a tremendous amount of respect for each of our guys who come out every day and put the time and effort in making this one of the most successful programs around! Remember, you can talk about how much you want to be great, how tough you are, and how hard you work. All that talk means nothing without giving great effort every day in class, great effort in every practice, and great effort in every match.

Good Luck,

Ryan Followell

Doug Heinz
