Forfeiture of said match may occur at any time prior to the end of the regular season for the team's playing age group. The reason for such forfeiture may be brought to the attention of the Association by any interested party.

A team that forfeits a match may lose its qualification status and may be fined. Qualification status and fines will be determined by the Association. Willful forfeits will not be accepted nor tolerated.

2.4.13.5.2 A handwritten player on the game report.

2.4.13.5.3 A suspended coach violates the terms of his suspension.

2.4.14 Tie-breaking Procedures: In the event ties exist in the standings at the end of a competition or a stage of a competition and the ties must be broken to determine the order of finish for seeding and/or advancement, the following procedures will be used until the tie is broken:

2.4.14.1 Result of head-to-head competition during the competition or a stage of the competition. (This criterion is not used if more than two teams are tied. If more than two teams are tied, start the tie-breaking procedure with 2.4.14.2)

2.4.14.2 Highest goal difference (goals for minus goals against) in matches between/among the tied teams, with a maximum of four (4) goals difference per game counted both for and against; for example, if the score is 9-3, the calculation would be +4 goals for the winning team, -4 goals for the losing team.

2.4.14.3 Most goals scored in matches between/among the tied teams (maximum of four (4) goals scored per game to be considered in the tie-breaking procedures).

2.4.14.4 Least goals allowed in matches between/among the tied teams.

2.4.14.5 Highest goal difference (goals for minus goals against) in all games, with a maximum of four (4) goals difference per game counted both for and against see example in 2.4.14.2. above.

2.4.14.6 Most goals scored in all games (maximum of four (4) goals scored per game to be considered in the tie breaking procedures).

2.4.14.7 Least total goals allowed in all games.

2.4.14.8 The tie-breaking rules are to be applied progressively in any case of three (3) or more teams involved in a tie. That is,

if three or more teams enter a sequence level tied, the top team will be identified with the tie-breaking progression. If two or more teams remain tied after the initial progression, then the process is to return to the first tiebreaker and begin the tie-breaking process again for the tied teams.

2.4.14.9 In the event that after having applied the tie-breaker rules above teams remain tied, the WDDOA Scheduler may elect at his or her discretion other options to break a tie including but not limited to Kicks From The Mark (KFTM), a play-off match, or a coin toss.

2.4.14.9.1 If a play-off match is used to break a tie, the play-off match time and site will be determined by the WDDOA Scheduler, STYSA play-off rules shall apply in all such play-off matches (two standard overtime periods following regulation time, followed, if necessary, by FIFA Kicks From The Mark).

2.4.14.10 In the event of extenuating circumstances where the scheduled game(s) cannot be reasonably completed (i.e. multiple rainout weekends), the Association will determine a method to calculate final standings.

2.4.15 Progressive Disciplinary System: With respect to the Progressive Discipline System, the Association will follow STYSA published Rule 4.9. **PROGRESSIVE DISCIPLINE SYSTEM** unless otherwise noted herein.

2.4.15.1 Teams:

2.4.15.1.1 Teams will be referred to the Association D&P Committee upon the conclusion of the game in which any combination of players accumulates the sixth (6th) ejection of the season for possible disciplinary action including but not limited to immediate and indefinite suspension from WDDOA sanctioned competition.

III. ADDENDUM**3.1. Team Qualification**

- 3.1.1. Any team that fails to return greater than fifty percent (50%) of club core from its qualifying roster will lose pre-qualified status and must re-qualify. An equal split is not a majority for teams with an even number of players on the roster the previous season.
