Cuthbertson Middle School 2021-22 Registration

Welcome! Please read the important message below from the Cuthbertson Middle School (CABC) before beginning!

The CABC, alongside Cuthbertson Middle School (CMS), are proud sponsors for the interscholastic athletic programs offered to our student athletes as part of the Union County Athletic Program.

DO NOT create a new FamilyID login if you are a returning athlete!

Contact support@familyid.com if you need your username. You only need to submit ONE registration per school year.

If you need to add a sport to an existing registration, please contact the athletic director. Physicals must be uploaded into FamilyID. We do not accept paper copies anymore.

- Important Note: This registration is to be completed by the student-athlete and a parent. Please ensure the correct person is signing each field and all information is reviewed together.
- This registration is valid for CMS athletic programs between June 1, 2021 through May 31, 2022.
- Completion of this form as well as a signed and completed NC GAA Reparticipation packet (if your physical has expired) will gain athletic clearance. Please visit the [NC GAA Eligibility Site](#) to download this packet.
- The NC GAA states that in order to be eligible for practice or participation in high school athletic activities a player must receive a medical examination once every 365 days by a duly licensed physician, nurse practitioner, or physician's assistant. If the athlete's physical expires they become ineligible and can not practice or play until a current physical is on file with the school. This includes in season and out of season workouts.
- DO NOT submit a copy of your vaccination record, FamilyID registration or insurance card.
- If you have any questions regarding eligibility concerns or the registration process, please reach out to your school's athletic director.

IMPORTANT NOTE: Payment for a sport will be made through CABC Sports Engine website once a student has been selected for a team.
