

C2 Attack VBC's Player/Parent Commitment Contract

Welcome to C2 Attack Volleyball Club. This document will discuss the guidelines and rules that each player and parent that commits to playing for C2 MUST follow. Once you have read & signed this Player/Parent Commitment Contract you will be held accountable to abide by the guidelines and rules. If you do not agree then this C2 volleyball program/club may not be for you and/or your athlete. At C2 we believe the cornerstone of a TEAM is FAMILY... dedication, commitment, desire to be a strong- well rounded team makes a FAMILY.

What does C2 Attack mean:

C2 Attack stands for **Command & Control** (military definition for C2 Attack), as the player works hard during intense practices with quality repetition, they will begin to obtain their confidence and "Control" while effectively learning to communicate, "Command", and display their skills, court awareness, and knowledge of the game.

I. C2's Team Member's Role & Commitment:

C2 Attack expects team members, along with parents, to put the TEAM SUCCESS above the individual glory with 100% **COMMITMENT**. Players have certain roles on the floor, this includes substitutes, as well. These "roles" contribute greatly to the team's success.

A. Team Member's Commitment:

Being dedicated and obligated to a team/family throughout the whole season one commits to.

1. **Quitting/leaving a team before the season in complete results in an additional \$500 fee added to your full club fees! Failure to meet this commitment will be sent to collections and legal action will be taken if need be.**
2. **When you quit a team, you are hurting more than yourself, you are hurting the WHOLE team, plus the family members on that team, including the residual effect upon the club.**
3. **More Commitments down below...**
 - a) I commit to participate in all practices and play in all tournaments the team is scheduled to play.
 - b) I commit to taking on reffing responsibilities, shared/equal time
 - c) I commit to putting the interests of our team before our own interests.

B. Team Members on the court:

Fulfill your positions duties with 100% effort, positive team connection, respect the coaches, players and parents.

C. Team Members that are subs:

Cheer, encourage, take stats, help the coach, watch the opponents' games, be eager and ready to go in when substituted with a positive "get the job done attitude", positive team connection, respect the coaches, players and parents.

**Failure to abide/disrespect by the Team Member's Role will affect a player's playing time.*

II. C2's Playing Time:

At C2 Attack your club fees go to the volleyball program for equipment needs, uniforms, coaches and their certification, referees, tournament fees, paper work fees, gym rental fees, etc. **Your club fee does NOT pay for playing time.** Our coaches are encouraged to establish the line-up that they believe will give the team the greatest chance for success. All players earn their playing time in practice through hard work, a great attitude, teamwork, volleyball/skill performance and dedication. If your child is not playing the "desired position" they/you feel they should be playing, it is because the coach and directors have made the executive decision to have them contribute in the assigned position to best benefit that given team. Sometimes it is hard to accept, and may be temporary until the player develops more, but regardless at the end of the season your athlete will become a more well-rounded and much improved volleyball player.

A. C2's Protocol for a Player's Concern for Playing Time:

If it is the player's belief that he/she is not being treated fairly nor playing an appropriate amount, the **player should make the first effort to discuss with the coach.** Our coaches see your athlete at each practice and may have a different perspective than parents.

Parents and players should remember that **playing time is earned.**

B. C2's Protocol for a Parent's Concern for their Athlete's Playing time:

Parents should **NEVER:**

1. Engage in "coaching" from the sidelines
2. Criticize players/coaches/officials
3. Approach a coach regarding playing time/team issues/etc.
4. **A parent, relative or friend of a C2 team member should NEVER approach the coach nor any other coach during a game or tournament to discuss playing time or disappointments**
5. **A parent, relative or friend of a C2 team member should NEVER come onto the court for any reason during competition**

V. Parents are a vital part of our club/program:

At C2 Attack Volleyball Club, we strongly believe that our parents play a vital role for their team and the club; their assistance during games, practices (helping with siblings), and throughout the year is essential to C2 teams and the club's success. Having parents that can help with transportation, carpooling, snacks, chaperoning responsibilities, allows our coaches freedom to focus on teaching/coaching volleyball and trying to make our team successful...to be the best we can be. We expect a lot from our parents - here are a few ways in which parents can help contribute to a successful season:

- a. Drop off & pick your child up ON TIME from practices. "On Time" means 10 minutes early, at least. We have lots of equipment we need to set up and then warm up our bodies.
 - b. Abide by the 24-hour rule...and do not distract your child during game time.
 - c. Communicate with coaches any conflict with practices and games WELL in advance so we all can adjust and/or help.
 - d. Encourage your child; it makes more of a difference than you realize. Everyone is expected to work together (players, parents, coaches and directors) to make the season go smoothly.
 - e. Help provide transportation of players to and from games/practices.
 - f. You are also representing your player's team and your club. Be respectful of the opposing teams, officials, and location we are playing.
 - g. Help supervise your child after the coaching staff has released them from team responsibilities.
 - h. Please make "team events" possible by having your child participate...and making this a bonding time for the team to grow as ONE.
 - i. Help and support fundraisers and special events.
 - j. Remember **playing time** is earned...and follow the steps to resolving a complaint.
1. ***Pay for volleyball club fees on time & pay full fee amount.***
 - a. If your club fee has not been paid, your child will not be permitted to participate in practices or tournaments and will eventually be dropped from the program. Please help us to make sure this does not happen.
 - b. Communicate with the coach and/or director if there is an issue.
 2. ***Understand there are no refunds once committed to a C2 team.***
 - a. No matter the case/issue at hand, there are no refunds
