- Celia – Red card fines.
- Lisa – nothing
- Sylvia – Encourage teams to keep completing the referee comments because the comments are read and taken to heart and those referees are not being assigned to our games. The fields are gearing towards the youth and coed leagues and leaving us with the crap fields. Sylvia is fighting for better fields. Eastfield only allowed 9:00 AM games. Very sorry. Cedar Hill fields are back and we will be using the good fields.
- Gloria – nothing
- Talina – Introduction of commissioners. Drops and adds placements at the meeting. Late adds dropped off tonight will be done by 3:00 PM Saturday.
- Lisa – Team placements.
