MN HOCKEY DISTRICT 2 2021 – 2022 GOVERNING RULES

Minnesota Hockey District 2 is an administrative area of Minnesota Hockey and is charged with the responsibility for administering and operating youth and girls hockey leagues within its boundaries. As such, it is obligated to follow the rules and regulations of USA Hockey and Minnesota Hockey (an affiliate of USA Hockey). District 2 may modify USA Hockey and Minnesota Hockey rules to be stricter. The rules and regulations are in place for specific reasons. They are to help administer the league and playoffs, to control play of the game, and to ensure that all participants during all events are covered by USA Hockey insurance.

1. SECTION 1.00 REGISTRATION

1.1 USA Hockey and Minnesota Hockey Requirements

Refer to Minnesota Hockey handbook for registration requirements. Players are not covered by USA hockey insurance until the registration process is complete.

- 1.2 <u>District Requirements</u>
 - 1.2.1 All District 2 teams registered as traveling will participate in approved District 2 leagues.
 - 1. Association registrars are required to attend the annual mandatory Registrar meeting (typically held in July or August). Association registrars receive information regarding the specific requirements for player registration, software training and other pertinent information at the annual meeting. Any specific instructions given by the USA Hockey Associate Registrar at the yearly instructional meeting, but not covered specifically in these District 2 rules, must be adhered to.
 - **1.2.2** All Association Board of Director Members must complete the on-line screening form on the MN Hockey website, by the July District 2 board meeting. Adults listed on the team roster (coaches and managers) must be submitted with the roster. On-line screening forms must also be completed by adults working with the association, but not directly affiliated with a team.
 - **1.2.3** All first year coaches and coaches new to an association must have the screening process completed before they are allowed to participate on ice within their association.
 - 1.2.4 Initiation/Mite/8U

 $\label{eq:MITEHOCKEY-MH} MITE HOCKEY-MH strongly encourages the skill level development of all players. This is particularly critical at the Mite level so that players are provided with the foundation to enjoy and have success in the game.$

1. In an effort to reduce travel expense and promote development rather than competition, Mite teams shall participate within their home association and district only. On an exception basis, the District Director(s) may, for convenience or to maintain continuity, permit a team to play outside the district. The District Director's decision is final.

2. Mites are usually divided into levels based on age, skill and the number of players in the association. As a guideline, Mites should be divided into two levels: Mini-Mites (6 & Under) - the younger, beginner and less skilled players; and Mites (8 & Under) - the older, experienced, more skilled players.

3. The focus for Mites is to teach and develop the basic skills of skating, puck handling, shoot in g and passing. Cross- ice, half-ice and small area games (Red, White and Blue) are recommended to maximize ice utilization, increase puck touches and increase the competition and fun. The American Development Model (ADM) provides the overall blueprint for player development.

4. At the Mini-Mite (6 & Under) level – all games shall be played cross or halfice.

5. At the Mite (8 and Under) level – the standard playing surface for all games is cross-or half-ice. Recognizing that associations may want to deviate from the standard, after December 31st up to six (6) full-ice games are allowed.

6. Local hockey associations are in the best position to design their programs to provide an experience where players can develop and have fun. This should be based on the principles of ADM, Red, White and Blue, the number of players in their program, the skill of their players, the availability of ice and their coaching staff.

7. In recognition of a need for flexibility and differences between associations, the guidelines outlined in #4 and #5 above will be monitored by the District Director. Abuses will result in sanctions against the respective association(s) at the sole discretion of the Director.

8. MH does not permit fullice Mite Tournaments; cross/half ice Mite Tournaments are allowed with restrictions as determined by the Tournament Committee (see Tournament Supplement). MH Mite teams cannot participate in out-of-state tournaments, except cross/half ice tournaments as approved by their District Director.

 $9.\ {\rm The\ game\ clock\ can\ be\ used\ for\ mite\ scrimmages\ ONLY\ for\ shift\ change\ purposes,\ but\ NOT\ to\ keep\ score$.

10. Jamborees may be conducted at the Mite level. A jamboree is defined as a low-key full participation event where players have an enjoyable and learning experience in a non-competitive environment. Jamborees need not be registered as tournaments, but must follow the "Team Rest" provisions as provided for under "Playing Rules". The format for a Jamboree shall be as follows:

- a. Approval to conduct a Jamboree must be obtained from the cognizant District Director at least thirty (30) days in advance.
- b. All teams must be from one MH District, unless approved in writing by the MH Directors involved.
- c. Information referring to the event must state "Jamboree", not tournament.
- d. Team fees can cover only costs for ice time, officials, medical attendants and participant awards.
- e. There can be no gate fee. A free-will donation box will be permitted.
- f. USA Hockey certified officials must be used.
- g. No score may be kept, no winners, no losers, no standings. This will generally require a predetermined round- robin format to be followed.
- h. No statistics may be kept, such as shots, saves, goals, assists, time of possession, etc. i. Participation awards, if given, shall be the same for all participants. No team awards or trophies.
 - a. There is to be no travel or play outside the District unless prior approval from the District Director is received. The first violation will result in a 2 week suspension to the Head coach and a \$500 fine to the association. Any subsequent violations will result in the suspension of the right of that association to participate with any team outside their home association pending a hearing of the District 2 discipline committee.

1.2.5 Squirts/10U

In keeping with the Minnesota Hockey player development goals, as stated in subsection 1.2.4 above, District 2 will enforce the Minnesota Hockey rule that limits the number of events (league/tournament/exhibition games) at the Squirt/10U level to 35 game days per season.
