Volunteering: Each family is required to volunteer 4 hours and provide a \$100 deposit check. Volunteer deposit checks will be collected at the Parent Information meeting and evaluations. **Players will not be allowed to practice until the volunteer check has been collected.** The check will be shredded once volunteer hours have been completed. If volunteer hours are not completed, we will cash the check. Dibs opportunities will be posted throughout the season at: https://www.srrybo.org/dib_sessions.

Election: 10/6 election with following open positions: Vice President, Fundraising Coordinator, Treasurer, Scheduling Director, Website Director

Season expectations: We are planning for a normal season and expect to offer each team the same number of tournaments as we would in any year (3rd grade: 3 tournaments, 4th grade: 4 tournaments, 5th grade: 5 tournaments, etc). We are expecting that each team will be allowed to practice 1-2 time per week. Note that these plans may change due to circumstances out of our control and we may need to make adjustments based on recommendations from the MDH and CDC. With regards to tournaments, note that there may be attendance limitations enforced by tournaments, such as one spectator per player - again, this is out of our control. Please review the "COVID-19 Exposure Prevention Plan", found at www.srrybo.org for additional information.
