

**WAIVER AND VOLUNTARY ASSUMPTION OF RISK – Adult Enrichment**

I am scheduled to participate in the following Adult Enrichment class this fall, 2020.

Class Name: \_\_\_\_\_

I understand that the Community Education Department of School District 833 offers community members an opportunity to participate in a variety of school sponsored events and activities, and that participation in these events and activities is completely voluntary. I recognize and understand that these activities involve inherent risks, including, but not limited to, the risk of contracting COVID-19, the risk of physical injury, the risk of death, and the risk of property loss or damage. I also understand that these risks will exist despite careful planning and adequate supervision. Knowing the inherent risks and dangers involved, I voluntarily assume those risks and am willing to participate as an instructor.

Knowing the inherent risks and dangers that are involved in participating, I waive, release, and forever discharge the District and its current and former board members, officers, directors, employees, agents, insurers, and representatives from any and all liability, actions, claims, and demands for personal injury, sickness, death, and property loss or damage arising out of participation in the event or activity. I further waive any right to bring any claim, demand, legal action, or cause of action against the District, its board members, officers, directors, employees, agents, insurers, or representatives, unless they engage in gross negligence or willful misconduct that directly causes harm.

Finally, I agree to hold the District and its board members, officers, directors, employees, agents, insurers, and representatives harmless from any and all claims, demands, or liabilities for injury, sickness, death, or loss of property arising out of or relating to my participation in the activity that I have identified above.
