PROGRAM & SCOUT BOOK

ATTENTION:

All scouts, family advisors, coaches, etc.

Contact with the players during this week's player development camp is strictly forbidden. We have produced a Scout Book, for your purchase, with the players' contact information. We sincerely hope that several of these players will draw the interest of your program. However, this week, the players have a demanding schedule and are in a very competitive environment. Please allow them to maintain their focus on the task at hand.

USA Hockey and the players appreciate your cooperation with this policy. **Please understand that violation of this policy can result in removal from the facility.**

If there is any information that you might need, please don't hesitate to ask the camp director.

HOME TEAMS IN BOLD

PLAYER DEVELOPMENT CAMPS SERVE AS PIPELINE TO THE WORLD STAGE

USA Hockey's Player Development Camps serve as a direct pipeline to international competition for young men and women. During the 2024-25 season, 114 players who participated in IIHF competition and the NHL's 4 Nations Face Off previously took part in a USA Hockey Player Development Camp.

Hilary Knight recently captained the U.S. Women's National Team to gold at the 2025 IIHF Women's World Championship in České Budějovice, Czechia. Knight credits her days at USA Hockey Player Development Camps as one of the reasons she went on to become a four-time Olympian. Knight also holds the IIHF record for most gold medals (10), overall medals (15), goals (67), assists (53) and points (120) in Women's Worlds history.

"I was in their shoes years ago," Knight said. "Seeing how our development program developed me as a player and as a person has been huge. I've been to Olympic Games and won world championships, and a lot of that has come from my experiences with these camps."

The U.S. Women's National Team's gold-medal squad of 25 players featured 21 players who skated in at least one USA Hockey Player Development Camp as youth players. The U.S. Under-18 Women's National Team that took silver at the IIHF Under-18 Women's World Championship had 19 PDC alums on its roster.

On the men's side, 74 players who took part in Player Development Camps skated for Team USA at the NHL's 4 Nations Face-Off or IIHF events such as the Men's World Championship, World Junior Championship and Under-18 Men's World Championship.

Ninety-six percent of the U.S. Under-18 Men's National Team that took bronze at the 2025 IIHF Under-18 Men's World Championship skated at a Player Development Camp.

Hampton Slukynsky, another PDC alum, donned the U.S. jersey at IIHF events twice in 2024-25, winning gold at the World Juniors before representing his country again at Men's Worlds. He also led the University of Western Michigan to its first NCAA Division I National Championship in April.

"My time at the Select 17 Player Development Camp was unbelievable," Slukynsky said. "I was super excited to be with the best players in the country in my age group to compete and have fun. It was incredible to meet a lot of new guys from around the U.S. and I'm grateful to have experienced that."

Other notable Player Development Camp alumni who represented Team USA this past year include Jake Guentzel, Matthew Tkachuk and Jeremy Swayman.

USA Hockey Player Development Camps continue to provide youth players from across the country opportunities to develop into elite prospects by training with and competing against the best players in every age group. The 114 PDC alumni who wore the red, white and blue on the international stage are a testament to the success of the model.
