

MSLax Meeting Minutes

June 11th, 2020

Roll Call – Julie Carlson, Ryan Sandell, Will Sutton, Jessica Jurovich

New Business –

Phase III initiated on June 10th

- Up to 25 people in a group

Lacrosse in the high risk group

- State Commissioner - Girls lacrosse medium risk, boys lacrosse high
- Rec Sports - With NFHS backing, likely can start full girls practice next week
- Working on getting girls lacrosse started as soon as possible

Meeting with the State hopefully next week (not scheduled)

Amature sports association meeting

- Need to have a rep from our board at the next meeting

How to move forward with Summer 2020

- Formal season or help associations with facilitating scrimmages
- With a formal season, we would have to allow time for associations to have participants register and then form teams to register for MSLax for games to be scheduled
- With facilitating scrimmages, we could be a contact for teams to find which teams are playing and are interested in scrimmages
- We can develop guidelines for how scrimmages should be played moving forward this summer
- Also need to develop a COVID-19 plan for play - plan around a medium risk
- Requirement for masks - recommended

MSLax PLAY Days

- End of July
- MSLax to provide fields
- Would need to fall into state guidelines
- Waiver would be needed
 - Google Doc for each player
 - States “I do not have _____ symptoms...”
 - Contact tracing purposes
