**RAHA Board Member Responsibilities**

The RAHA Board is a working board. The success of RAHA is incumbent on Board members committing to attending board meetings, serving on committees, and doing work outside of board meetings. Board members are required to serve on and actively participate on multiple committees, in addition to their position on the board. Board members also are required to attend 20 of the 24 monthly meetings during your two-year term, including the tryout meetings in October, as well as regularly attend assigned committee meetings. In addition, board members will be required to use MS Word, Excel and Powerpoint in their positions and be able to use email. And have fun!

Please describe your hockey background and experience:

I grew up playing hockey in the Mankato Hockey Association. I played hockey starting at the age of 5 and played through high school (Mankato East). I was fortunate to play some JV and Varsity as an 8<sup>th</sup> grader and was a captain as a junior and senior.

As a student at St. John's, I helped develop the intramural hockey program. I oversaw the team registration, scheduling as well as game operations.

Now, as a resident of Rosemount, I've been involved with RAHA for the past five years. My son Colsen (9), started as a termite and will be a 1<sup>st</sup> year squirt starting in the fall of 2020. I have helped coach in each of those five seasons and was the head coach for the Advanced Mite Gold team this season (2019-2020).

Please explain why you wish to become a RAHA Board member:

I wish to become a RAHA Board member because I enjoy the game of hockey. I have enjoyed being involved as a RAHA coach and I want to help RAHA continue to be a strong hockey association.

What specific talents/skills would you bring to the RAHA Board?

As a current RAHA coach, I can bring ideas that will help foster both coach and player development. I also have a background in event planning and event operations.

Which RAHA Board Position/Committees would you like to get involved with (Equipment, Goalie Coord, Age Level Coord, Operations, Finance, Fundraising, etc)?

The RAHA Board Position/Committees I would like to get involved with are either Equipment, Hockey Development Committee, Tournament Committee, and Fundraising.

Please describe your past experience (volunteer, manager, coach, etc.) within the RAHA:

I have been involved with RAHA as a coach for the past five seasons. As a coach, what I've most enjoyed is sharing my knowledge of the game, as well as, watching the kids development throughout the year. It great to see each kid hit a milestone that helps progress his/her hockey experience.

Please describe other board experience, youth program experience, or areas of community involvement:

As a PGA member and golf instructor, I've designed and directed various youth development programs and clinics over the last 10 years.

Please identify any potential areas that may be a conflict of interest with any business or other association you may be associated with and your duties as a RAHA Board member: Not applicable
