ABOUT

The United Soccer League announced a league-first event that will see the Super Y League Finals take place in conjunction with the USL Academy League Finals at the Tournament SportsPlex of Tampa Bay.

The Super Y League Finals will kick off on Friday, December 8th beginning with three days of group stage play followed by the Championship matches then taking place on Tuesday, December 12th. There will be 130+ boys and girls teams fighting for the national championship across six age groups ranging from U12 to U19. The country's longest-running national youth league, the Super Y League offers a unique experience for both boys and girls between the ages of 10-18 years old to compete against the top players both within their region and nationally during the finals.

"As one of the longest standing youth-league National Championships, Super Y League Finals remains as the pinnacle for our member clubs and their players, coaches and families." said USL SVP of Youth and Pre-Professional Joel Nash. "While everyone hopes to lift one of the national champion trophies, the overall experience has proven to be why the event is marquee on everyone's calendar. We are delighted to be combining the Finals this year as it will enhance the experience for everyone involved and highlight the growing presence of USL across the American soccer landscape."

USL Academy is a player development program designed to advance all players, coaches, administrators, and other stakeholders towards their maximum potential by emphasizing the promotion of top young talents into Senior Team environments. Through participation in USL Academy League and USL Academy Cup, clubs can offer top youth

The third edition of the USL Academy League Finals will see the top 16 teams from the USL Academy League regular season, with the ten divisional winners and six wildcard teams based on their divisional records qualifying for the competition. The Playoff Bracket will feature three days of group-play beginning on Thursday, December 7th and culminating with the USL Academy League Championship on Sunday, December 10th between the top two teams.

“As USL Academy continues to grow and evolve, we’re incredibly excited to move forward with our evolution of our postseason tournament,” said USL Technical Director Liam O’Connell. “By syncing with the Super Y League Finals, we will have an opportunity to create a more holistic and beneficial experience for all players, coaches, scouts, referees and parents involved. Beyond that though, we look forward to rolling out a new single-elimination format to the USL Academy Finals. This structure will replicate the experience these players will face in knockout competition at the Senior Team level, and will help prepare more of our top talents to make the jump to that level in the coming years.”

COMPETITION STRUCTURE & TIE BREAKERS

SEEDING

- **Two-Group Division**

(U18/19 Boys, U14 Girls, U15 Girls)

The first and second placed teams in each group will advance to the knockout stages. For each division, the winner of Group A will play the runner-up from Group B, and the winner of Group B will play the runner-up from Group A.

- **Three-Group Division**

(U14 Boys, U15 Boys)

The first placed team from each group will automatically advance to the knockout rounds. The runner-up with the most points from group play will also advance (see tiebreakers below if teams are tied on points). The three group winners will receive the top three seeds in knockout play, with the best runner-up automatically receiving the #4 seed (even if they finish with more points than one of the group winners). Additional tiebreakers will be applied as necessary in seeding.

- **Four-Group Division**

(U12 Boys, U13 Boys, U16/17 Boys, U12 Girls, U13 Girls)

The first placed team from each group will advance to the knockout rounds. Teams will be seeded #1 to #4 based on total points obtained in group play. Additional tiebreakers will be applied as necessary.

SUPER Y LEAGUE FINALS

COMPETITION STRUCTURE & TIE BREAKERS

SEEDING

- **Two-Group Three-Team Division**

(U16/17 Girls)

Each team will play two (2) group matches and one (1) cross group match (Group A v Group B). The cross-play match will be selected to ensure teams are playing a different opponent that they did not play during the regular season. The top four (4) teams out of the 6 total teams will advance based on PPG. If PPG are equal, the tiebreaker rules will be used to determine the top 4 teams. Teams advancing to the knockout stage will be ranked 1-4 based on PPG. If PPG are equal, the tiebreaker rules will be used to determine seeding for knockout stage matches. Tiebreakers will be the same that are listed in the 2023 Super Y Finals Competition Manual. In the case that the teams involved in a tiebreaker do not all play each other in the group stage, the head-to-head tiebreaker will be skipped, and the first tiebreaker will be total wins.
