MHOA Scholarship Fund
We will present our first Scholarships in the Spring of 2021

Roving evaluators: Is a two person team that will go to a tournament and evaluate as many officials as possible on the weekend. We are going to target the Bantam AA/A tournament in Bemidji over the Thanksgiving weekend as our first attempt.

As of Sept 19, there are 1100 officials registered which is low compared to other years at this date. Many are worried about there being a season.

We have three new supervisors this year:
District 1 Paul Marshall
District 2 Mark Arriola
District 15 Craig Tietz

Seminars

All 59 seminars this year will be virtual and have been going smoothly. Without the on ice portion of our seminar curriculum, shadow mentoring will become very important this year.
