

# ***In Loving Memory of Terry Busch***

The family of Terry Busch, a Shakopee native, is honoring his life with a donation to the Shakopee Hockey Association, a defining part of Terry's life.

Terry Busch was born on July 4th, 1965. He grew up in Shakopee and graduated from Shakopee High School. Terry started his love of hockey at the young age of 6 years old. He instantly fell in love with the sport, and thus began his hockey story. Terry played from 6 years old all the way through the end of high school, when he graduated in 1984. His Mother, Candy Buranen, was his biggest supporter, never missing a game. They were a hockey family. So much so, that Candy held a seat on the Hockey Association Board. Terry would often talk about his hockey days and ALL the nights they would have to go shovel off "The Bubble". Anyone who remembers those days will get a laugh and probably have great memories of "The Bubble". Of course, Terry continued his love of hockey into adulthood where he played on a variety of adult leagues. But more importantly, he never missed a WILD game. Terry lived a life of joy, always having a smile on his face. He touched everyone who knew him. On March, 6 2021, Terry lost his battle with cancer. We, the family of Terry, would like to honor him in a way that would make him happy: to make a donation to the scholarship fund for Shakopee Youth Hockey.

Thank you, Busch Family, for your generous donation to help others experience the same joy that Terry found through hockey.
