- Sample practice jerseys for all ages and game jerseys for traveling age players (squirt/U10-bantam/U15) are available at the arena lobby next week 7/28-8/1 to try on. This jersey will be worn for two years so choose size accordingly. Sizes will need to be selected during registration. If the jersey is lost or outgrown before this timeframe, a new jersey can be purchased for \$35.

Rental Equipment:

If you are currently renting hockey equipment, **Tuesday August 12 from 5-7pm** is the date to:

- **Return rental equipment if you no longer need it and don't intend to rent equipment for the 25-26 season.**
- **Exchange outgrown equipment if you will continue to rent equipment**

If you would like to continue to rent equipment, you must choose the option for rental equipment during the registration process for the 25-26 season.

*If you are a goalie in squirts/u10 or above and using NHA equipment, you do not need to pay a rental fee. Please contact Maegen Storm at equipment@northfieldhockey.net to confirm your player still needs goalie equipment.

All incoming squirt and u10 players will need to select a jersey number that they will have the rest of their NHA career.

If any other new players need a jersey number, contact NHA equipment manager (equipment@northfieldhockey.net) to determine a number.

A Signup genius link to choose a number will be sent out on 8/18 and will close on 9/1. You must be registered to choose a number.
