- Discussed Integris Sponsorship. Recreational players will receive a white game jersey as part of their registration. They will order the jersey through their coach. The coach will fill out the order form and place the order through Soccer USA. The jersey will come without the player number, but will have the intergris logo on it. The player will take the jersey back to Soccer USA and have the number put on it.

New Business: Tom Woolery wondered if part of an academy team could go down and play recreational soccer as a group. This would be to get more touches on the ball. This was discussed and it is club policy that the recreational director, James Soesbee, must approve any player going from rec to academy or from academy to rec. Jay Tippeconnic will check with OSA regarding this request and bring the information back to the board at the next meeting. Other ways for players to get more touches on the ball would be to schedule frequent scrimmages

There are a couple of U-10 teams that have asked about playing 8v8 on a larger field. Frontier Country and OSA determine this and at this time U-10 is 6v6.
