
The Anytime League

The Basics

Finally! A league you can play in that ALWAYS fits your schedule. The ANYTIME League will be held any day and any time during the week. League will run for approximately 20 weeks: April 22 – September 22.

Beyond the Basics

- Spring “all-league” reception will be Wednesday, March 20 at the Welcome Center located on the National Sports Center campus. Reception hours are 5-7 p.m. League information, sign-up, and fees will be collected during the reception. A complimentary buffet will be provided. **You must RSVP before March 12** in order to attend this event. Contact Ben Spartz at bspartz@nscsports.org to reserve a spot.
- Sign-up for the 2019 VLGC Club Championship before April 12 and receive a discounted entry of only \$45. Pay after April 12 and the entry fee is \$73

Weekly Play

- Modified Stableford scoring system—stroke play
- We will award points each week based on a variety of games (individual and team games)
- We will use our own league handicaps—no GHIN required! Two 9-hole rounds are required to generate a league handicap.
- Though it is very unlikely an entire week will be lost due to weather, in the event it happens, you will either have an extra week to submit a make-up round, or an additional week will get added on to the end of the season. The league manager will be sure to inform you of any schedule changes.
- If you are unable to make it for a given league week, you will still receive a default number of league points (blind score)
- At the end of the season, shop credit will be awarded based on total points accumulated through the year.

Annual League Fees

Option #1 - \$110 annual league fee per person (includes in-house league handicap)

Option #2 - \$142 annual league fee per person (includes USGA GHIN handicap and MGA membership)

* Both options **INCLUDE** a 2019 Patron Card! Which will unlock additional discounts for you 7 days a week throughout the season. The GHIN is not needed for this league, but is great to have to track your handicap if you play regularly at other golf courses in MN, or across the country!

Annual league fee will go toward various contests throughout the year, several scheduled meals, as well as the end of the season account credit (year-end pot). Sales tax included in above prices.

Subs

You may use a sub in your place for any league round. They will play for free, since you prepaid at the start of the year. If you prepaid for carts as well, then they get a cart for free! Sub points will be credited to you. If they do not have an established HDCP they will play as a scratch.

Extra Play

Only available to PREPAID league members. If you would like to come early on your chosen league day and play an extra 9-holes, or play extras after league, the fee is an additional \$5 for the green fees and \$5 for the cart. Early rounds cannot be on the same nine that will be played for league, so please call ahead to see if the other nine is available that afternoon.

Other Information

- All new money pre-paid for green fees and cart fees will be used in full at the start of the season.
- You may register while the season is already in progress, for a pro-rated price
- 3 complimentary 9-hole green fees passes will be issued at the beginning of the season to help make up for any missed play during the season.
