

Abundant Life Youth Football Camp

Skills Training for All Offensive Positions

Dates: July 9th, 10th and 11th

Time: 8:30am—11:30am

Location: Abundant Life Christian School (Main Field)
4901 East Buckeye Rd, Madison WI 53716

Your young football player has an opportunity to learn the skills and techniques necessary to be effective in the game's latest offensive schemes. We have several premier football and inspirational minds in Wisconsin Prep Football teaching and speaking at this camp. Our camp is also tailored to help players new to football learn the basics and to learn and experience what playing the sport is like.

Coach and Christian speaker **Glen Derby**, former standout at the University of Wisconsin, and 8 year NFL player and Coach **Scott Flood**, Offensive Coordinator and Head Coach at several prominent high schools including Wisconsin Dells and Kenosha Bradford, will stop in to impart football knowledge and perspective to the kids. Finally, recently graduating student athletes will speak on their experiences in the game and provide their advice on what helped them balance grades and sports among other relevant topics.

In addition, Head Football Coach **Tom Handziak** from **Abundant Life Christian School** will be there with select members from his coaching staff and varsity football team to work individually with each camp participant. This is a can't miss youth camp for kids wanting to play at a high level in today's complex offenses.

This camp is \$50. You can also register on the by scanning the following: [ALCS Youth Football Camp 2025](#)
