Sponsorship Update

Window clings were ordered today. Couldn't do clear clings so they will have a white background with black lettering. Per Courtney, they will be placed at the top of the tall glass panels.

15 Outlaw thank you window clings were also ordered to send to sponsors.

Pictures

A few board members had fielded some complaints about the process to "register". No one has seen any of the photos that were taken yet but initial proposal said they would be sent within 6 weeks.

The board will take care of replacing the team photos in the rink lobby as the price quote from Dru & Lindsay Photography seemed high.

Rink Updates

Liz reached out to Jodi regarding an updated ice contract.

Kim requested the September ice bill from Courtney.

Treasurer Report

The club's CPA spent 4 hours on the phone with the IRS to obtain more information about and resolve fines owed by the club.

Kim shared an insurance quote (\$1,359) for contents coverage to cover gear in the cage. After some discussion, the board decided to forgo a policy as that rate seemed high.

The FNBO wrap on the Zamboni has been removed. Kim will let them know if they would like to continue as the sponsor, they can have their logo on both sides for \$5,000. Currently, the 2022 sponsorship packet says \$3,000 per side.
