

Parent Info

WEBSITE

RHJFB.org

"Important dates" on home page of website, this letter has a lot of information for dates for the season. Pictures, First game, activities with the high school team, end of season banquet. Dates and times are subject to change, periodically check but any changes should be on FB as well.

On the website in the Library section there is a Parent Policy. Lots of information, please take a look. Includes uniform care, communication with coaches and board, team mom and Parent Code of Conduct

FACEBOOK

Facebook site has current information regarding the program as a whole. Doesn't have team specific

REMIND

Remind is being used this year by all of the coaches to push any team specific information out to the parents. This is the only forma of communication from the teams.

PRACTICE

All players must get a completed physical prior to practicing August 1st or they will not be able to be in contact drills

We encourage all parents to stay and watch practice each night.

Have kids drink water during the day, prior to practice.

Bring appropriate uniform to practice, not game items. Practice uniform jersey is the red with black trim, pants are white.

COACHES

If you have any concerns or complaints with coaches or any other dealings with your child and football take those concerns up with the head coach. If you don't get it resolved to your satisfaction contact a Board Member.

ROSE BOWL

Rose Bowl will be 8/28 (last Saturday of August). We will have food vendors here again this year.

GAMES

Games will start on Sept 11, we will not play during Fall Festival (Oct 9). Schedule comes out end of August. We hope to have all of our games (each grade) playing in the same town but we do not have control of that, the league creates the schedule.

We (Jr. Football) do not run the concession stand; we are having high school organizations man it so they will make the profit.

Parent Info

FUNDRAISING

Shelley Gardner - Dillons Community Rewards is a program through Kroger store brands that the program gets a kickback on overall spend.

Rachel Swope – License plates. Merchandise store and Chiefs tickets

UNIFORM

Game pants will be red with integrated pads

Do not wear game uniform to practice. Please look at the “Library” section on website for care and cleaning instructions for equipment and uniforms. Do not dry new uniforms on high heat!

Don't leave pads and equipment in the trunk of your car or in the sun

Don't alter uniforms such as cutting jerseys or pants that are too long or tight. Don't add decals to helmets. Don't cut straps on helmets or shoulder pads that are long. See your coach if you think there's an equipment issue.

PAYMENT PLAN

Kevin Fisher - Will be working with those who have not paid yet.
