#### 4. Choose Download Type

After you click Download, you will be presented with options to download the Synergy Full Game, Raw Video or Synergy Net Editor.

- Click on the type of file that you wish to download.
- You will then be prompted to choose between Standard Definition (SD) or High Definition (HD).

## Video Express Download

### Download - Synergy Full Game

Download Synergy Full Game video to your hard drive in MP4 format.

### Download - Synergy NET Editor

Download video for use in the Synergy NET Editor, including editing of TV games in realtime.

### Download Raw Video

Download the original files uploaded to Synergy by other users.

Cancel

## Video Express Download

Download SD Video

Download HD Video

Cancel

### 5. Success

- Your download has started. Video Express will automatically redirect back to the [Video Express Home Screen](#) where a new row for the currently downloading game will be visible.
- The download is finished when the Download Progress section displays "Complete" in the game row.
- Read [How to Access Downloaded Video Files from Video Express](#) to learn where the Raw and Synergy Full Game video files can be located and used on your computer.
- To learn how to use the Synergy Game Assets, read [How to Create an Edit from an Imported MP4, Synergy Game Asset, or Previously Recorded Video in the NET Editor guide](#).

## Downloading Game Assets?

When downloading Synergy Game Assets, the download progress may remain on "Loading..." for a few minutes. This is normal and files are being downloaded during this time. Please leave Video Express open and allow the Game Asset to continue downloading.

## Additional Information

If the download is interrupted, it will automatically resume from that stopping point upon reopening Video Express.
