Article I. INTRODUCTION TO COMPETITION RULES

IRONMAN and World Triathlon (formerly ITU) are continuing to work towards global rule harmonization. The IRONMAN Competition Rules govern all IRONMAN and IRONMAN 70.3 triathlon race competitions and are based primarily on the World Triathlon Competition Rules; however, differences in the rules do exist. Within certain sections of the IRONMAN Competition Rules (e.g., the rules regarding equipment legality) IRONMAN may adhere to and/or reference the applicable World Triathlon Competition Rules. Notwithstanding, in the event of any conflict or inconsistency between the IRONMAN Competition Rules and the World Triathlon Competition Rules, such conflict or inconsistency shall be resolved by giving precedence to the IRONMAN Competition Rules.

Section 1.01 PURPOSE
To provide a consistent set of competition rules (“Competition Rules”) for all IRONMAN® and IRONMAN® 70.3®-branded triathlon race competitions (the “Races” and together with all programs, activities, ceremonies, receptions, and exhibitions authorized by IRONMAN in connection with the Races (the “Events”)).

Section 1.02 INTENTION
Competition Rules are intended to:

(a) Facilitate fair play, equality, and sportsmanship;
(b) Support ingenuity and skill without unduly limiting athletes; and
(c) Penalize athletes who gain, or seek to gain, an unfair advantage.

Section 1.03 RACE PERSONNEL DEFINITIONS

(a) “Event Director” or “Race Director” is the person appointed by IRONMAN to be in charge of the Event;
(b) “Global Director of Rules and Officiating” is the person appointed by IRONMAN to supervise rules and officiating for all Races;
(c) “Head Referee” is the person appointed by IRONMAN to be in charge of rule enforcement for the Race;
(d) “Head Timer” is the person appointed by IRONMAN to be in charge of timing for the Race;
(e) “Race Officials” are each person appointed by IRONMAN to manage and/or supervise the Event; and
(f) “Race Referees” are the Head Referee and each person appointed by the Head Referee to enforce rules for the Race.
Section 1.04  EXCEPTIONS

(a) Competition Rules may vary from venue to venue due to certain sanctioning requirements, laws, local ordinances, and/or Race course surroundings;

(b) Event-specific Athlete Information Guides will provide further guidance to athletes and will specifically address any Competition Rule exceptions (if any) for each Event venue;

(c) Competition Rules specifically applicable to the Physically Challenged (“PC”) / Intellectual Disability (“ID”) Open Division (the “PC/ID Open Division”) are set forth in Article VIII; and

(d) Competition Rules specifically applicable to the Handcycle (“HC”) Division are set forth in Article IX.

Section 1.05  INTELLECTUAL PROPERTY

The Events are the exclusive property of World Triathlon Corporation (“WTC”), WTC’s subsidiaries, and, with respect to certain Events that are licensed by WTC to third-party licensees, WTC’s authorized third-party licensees (collectively, “IRONMAN”). IRONMAN owns all rights associated with the Events including, without limitation, the rights to organize, exploit (commercially or non-commercially), broadcast, and reproduce the Events. IRONMAN’s rights include, but are not limited to, any type of digital media, whether photographic, audio, or video in nature, captured in connection with any Event or venue (including, without limitation, the Race course) and regardless of ownership of the capturing device. All personal data provided by athletes or spectators for each Event and the data produced from the Event (including, without limitation, the Race results) are the exclusive property of IRONMAN.

Section 1.06  PRIZE MONEY

(a) Prize Money is only available for professional triathletes who, at the start of the Race, are members in good standing of the IRONMAN Pro Membership program (“Pro Members”);

(b) When prize money is available for any Event, no restrictive rules or conditions that have the effect of impeding performance may be placed upon any one category of Pro Members unless such rules or conditions are imposed equally upon all those Pro Members who are eligible for prize money;

(c) Prize money for any Event shall be offered equally between Pro Member males and females in both amount and depth. For each placing where prize money is offered for one gender, including any bonus for swim, bike, or run placement, there must be a corresponding and equal place for the other gender offering the same amount of prize money;

(d) Where the depth of prize places exceeds the number of Pro Member official finishers in either gender, that portion of prize money designated for the places for which there are no Pro Member official finishers will not be distributed; and
(e) Pro Members and any other professional triathletes are not eligible to receive age-group awards and age-group athletes are not eligible to receive prize money.

Section 1.07 COMPETITION AGE
All age-group athletes must participate and compete in the age-group division corresponding to the athlete’s age as of December 31 of the year of the Event.

Article II. CONDUCT OF ATHLETES

Section 2.01 GENERAL BEHAVIOR
Each athlete must:

(a) Practice good sportsmanship at all times;
(b) Be responsible for his/her own safety and the safety of others, including without limitation ensuring that no person contracted by the athlete, representing the athlete, or associated with the athlete, engages in any conduct on or near the race course or venue that, in the opinion of IRONMAN or Race Officials, (i) the athlete is aware of and (ii) creates an unreasonable risk of injury or damage to any other athlete, spectator, Race staff, bystander, or other person, or any property (for example, the athlete engaging a videographer to follow him/her along any part of the course);
(c) Know, understand, and follow all Competition Rules, as stated herein, in the Event-specific Athlete Information Guide, and at the Event-specific athlete briefings;
(d) Obey traffic regulations and instructions from Race Officials;
(e) Treat referees, officials, volunteers, spectators, the public, and other athletes with respect and courtesy;
(f) Obey laws and local ordinances and avoid any type of demonstration of political, religious, or racial propaganda. Failure to obey laws or local ordinances and/or failure to refrain from demonstration will result in disqualification;
(g) Avoid the use of abusive language;
(h) In the event of a withdrawal, the athlete is responsible for promptly informing a Race Official after withdrawing from the Race. Failing to do so may result in temporary suspension or permanent expulsion from other Events;
(i) Compete without receiving assistance from other parties (other than from Race Referees, Race Officials, and other athletes in accordance with Section 2.02). Receiving assistance (other than in accordance with Section 2.02) will result in disqualification;
(i) Friends, family members, coaches, or supporters of any type may NOT bike, drive, or run alongside athlete, may not pass food or other items to athlete and should be warned to stay completely clear of all athletes to avoid the disqualification of the athlete. It is incumbent upon each athlete to immediately reject any attempt to assist, follow, or escort.

(j) Not dispose of trash or equipment on the course except at aid stations or other designated trash-disposal points. Intentional or careless littering will result in a **time penalty** or **disqualification**;

(k) Not gain or attempt to gain any unfair advantage from any external vehicle, person, or object;

(l) Not use any device that will distract the athlete from paying full attention to their surroundings. Using a device in a distracting manner will result in disqualification.

(m) Only use equipment that meets or exceeds the standards of a reputable safety standards organization (such as CPSC, CE EN1078, AS/NZS 2063, ISO, or other equally reputable safety standards organizations) and is in good condition.

(n) Follow the prescribed course. It is the athlete’s responsibility to know the course. Athletes must cover the prescribed course in its entirety. Failure to do so will result in a **disqualification**. If an athlete must exit the course, he or she shall re-enter the course at the same point of departure before continuing. In the event of a conflict between directions given to an athlete and the prescribed course, the prescribed course prevails. In the case of a pre-event official modification to the prescribed course, the modification becomes the new prescribed course and will be communicated to all athletes prior to the event start.

(o) Avoid indecent exposure and public nudity at all times during the Event. Indecent exposure and/or public nudity may result in a **disqualification**.

**Section 2.02 ASSISTANCE**

(a) Assistance provided by Race Referees or Race Officials (including official Event volunteers) is allowed but such assistance is limited to: providing drinks, nutrition, mechanical and medical assistance, and other necessary assistance (as may be approved by the Event Director or Head Referee).

(b) Athletes competing in the same Race may assist each other with incidental items such as, but not restricted to: nutrition and drinks after an aid station, pumps, tires, inner tubes, and puncture repair kits;

(c) Athletes may not provide essential race equipment to other athletes in the same competition, while the competition is in progress. Specifically, items that may not be provided to other athletes includes but is not restricted to: complete bicycles, bicycle frames, wheels, helmets, and shoes. The penalty for this will be **disqualification** of both athletes; and
(d) Unless otherwise pre-approved by the Event Director or Head Referee, no athlete shall intentionally cause the physical forward progress of another athlete on any part of the course during the Race. The penalty for this will be disqualification.

Section 2.03 ANTI-DOPING
(a) Each athlete acknowledges notice of the Anti-Doping Rules (as such term is defined below), and acknowledges that he/she is bound by, confirms he/she shall comply with, and voluntarily consents to all provisions of the Anti-Doping Rules.
   (i) “Anti-Doping Rules” means all anti-doping rules adopted by IRONMAN including, without limitation, the World Anti-Doping Code (the “WADA Code”), the International Standards as published by the World Anti-Doping Agency (“WADA”), including, without limitation, the List of Prohibited Substances and Prohibited Methods (the “Prohibited List”), and all other rules, policies, and/or procedures adopted by IRONMAN.

(b) Each athlete acknowledges that IRONMAN’s Anti-Doping Rules may be amended from time to time and at any time by IRONMAN without notice to athlete other than, as the case may be, posting such amendments under the domain [www.ironman.com];

(c) Each athlete acknowledges that the WADA Code and International Standards, including WADA’s Prohibited List, may be amended from time to time and at any time by WADA without notice to athlete other than, as the case may be, posting such amendments on WADA’s website under the domain [www.wada-ama.org];

(d) Each athlete is personally responsible for knowing what constitutes a violation of the Anti-Doping Rules (including, without limitation, what substances and methods are included on the Prohibited List), and for monitoring and ensuring his/her own compliance with the Anti-Doping Rules. Certain medications, supplements, common beverages, and other “over-the-counter” or otherwise legal products may contain Prohibited Substances;

(e) Each athlete is required to inform applicable third parties (e.g., including, without limitation, Athlete Support Personnel including coach, trainer, medical or paramedical personnel, or family member) of athlete’s obligations under the Anti-Doping Rules (including, without limitation, (i) restrictions against the use of prohibited substances and prohibited methods and (ii) it is the athlete’s responsibility to make sure that any medical treatment received does not violate the Anti-Doping Rules); and

(f) Any athlete using or intending to use a Prohibited Substance or Prohibited Method for a legitimate medical reason must seek a Therapeutic Use Exemption (“TUE”) from their National Anti-Doping Organization (“NADO”) or Regional Anti-Doping Organization (“RADO”) as provided in WADA’s International Standard for Therapeutic Use Exemptions.

(g) No Athlete who has been declared Ineligible or is subject to a Provisional Suspension issued in accordance with the Anti-Doping Rules may, during a period of Ineligibility or Provisional Suspension, participate in any capacity in any Event.
Section 2.04 ELIGIBILITY

(a) Athletes must meet all requirements of the Event’s sanctioning body (e.g., including but not limited to the sanctioning bodies’ licensing and/or insurance requirements). Licensing and/or insurance requirements will be stated in the Event-specific Athlete Information Guide;

(b) Athletes under suspension by IRONMAN are not allowed to compete in any Event;

(c) An athlete’s racing age is determined by their age on December 31st in the year of the Event;

(d) The minimum age requirement for IRONMAN and IRONMAN 70.3 Events is 18 years of age unless otherwise stated in the Event registration process. Athletes must meet the minimum age requirement as of the date of the Event;

(e) Status: any athlete who (i) holds elite/professional status from their World Triathlon Member National Federation for middle or long distance triathlon, (ii) has an IRONMAN Professional Membership (as verified by elite/pro status of an athlete’s National Triathlon Federation), or (iii) has entered and participated in the Elite/Pro Division of a middle or long distance triathlon event with a prize purse of $5000USD or greater, is prohibited from racing as an age-group athlete in ANY IRONMAN or IRONMAN 70.3-branded triathlon event operated by IRONMAN or its licensees, anywhere in the world where there is an elite/pro division, within the same calendar year;

(f) An athlete who competes in a category different from his/her age or status classification will be disqualified from the Event(s) in which he/she participated in. Any awards, prizes, and/or points will be revoked;

(g) An athlete that accepts an IRONMAN or IRONMAN 70.3 World Championship Age Group slot, must disclose any change in their racing status prior to such World Championship event. Failure to make such disclosure will be cause for immediate disqualification from such EVENT and may result in suspension from IRONMAN events.

(h) Any athlete that commits fraud by entering any Event under an assumed name or age, falsifying an affidavit or giving false information will be disqualified from such Event and subject to possible suspension or expulsion from other Events at IRONMAN’s sole discretion;

(i) Any athlete who has completed or plans to initiate a gender transition, or identifies as gender non-conforming, including those in the process of taking hormones (collectively hereinafter referred to as “Transgender Athletes”) must comply with IRONMAN’s rules, policies, and guidelines for Transgender Athletes (collectively, the “Transgender Policy”). The following is a link to IRONMAN’s Transgender Policy: https://www.ironman.com/policies. Athletes acknowledge that IRONMAN’s Transgender Policy may be amended from time to time and at any time by IRONMAN.
without notice to athletes other than, as the case may be, posting such amendments on IRONMAN’s website www.ironman.com;

(j) All Race participants (including relay team members and guides) are subject to the IRONMAN Competition Rules;

(k) The Physically Challenged (“PC“)/Intellectual Disability (“ID“) Open Division eligibility requirements are specifically set forth in Article VIII;

(l) The Handcycle (“HC“) Division eligibility requirements are specifically set forth in Article IX; and

(m) The Open Division eligibility requirements are specifically set forth in Article X.

Section 2.05 RACE FINISH, TIMING, AND RESULTS

(a) An athlete will be judged as finished the moment any part of his/her torso crosses a vertical line extending from the leading edge of the finish line gantry;

(b) A Race will be won by the athlete who has the shortest time from the applicable start signal to the moment when the athlete finishes the Race;

(c) The Head Referee, in consultation with the Head Timer, will use all resources reasonably available to decide the final position of every athlete. Information from technology may be used to assist in the decision-making process. The Head Referee or Head Timer may decide, based on the available evidence, that a Race is tied if there is no reasonable way of clearly determining which athlete crossed the line first. Results of tied athletes will be sorted according to Race bib numbers, provided, however, that athletes who finish in a contrived tie situation (e.g., where no effort is made by either athlete to separate the athlete’s finish time from the finish time of the other athlete) will be disqualified;

(d) Results will be official once the Head Referee validates them. Incomplete results can be declared official at any time;

(e) An athlete or relay team who fails to start an Event, is disqualified from an Event, fails to finish an Event, or finishes before the course closes but outside the Event time limit, will be designated in the results as:

(i) Did not start (“DNS”) – Enters an Event but fails to start;
(ii) Disqualified (“DSQ”) – Starts an Event and was disqualified;
(iii) Did not finish (“DNF”) – Starts an Event but fails to cross the finish line, or crosses the finish line after the course closes; and
(iv) Not classified (“NC”) – Starts an event and crosses the finish line before the course closes but fails to meet an established course or discipline cut-off time, or the overall event course cut-off.

(f) Results will include athletes who do not finish the Race (“DNF”), athletes designated as not classified (“NC”) and those who are disqualified (“DSQ”). All available splits will be listed for DNF and NC athletes.
Article III. PENALTIES

Section 3.01 GENERAL

(a) Failure to comply with any of the Competition Rules may result in an athlete being punished with a thirty (30) Second Time Penalty (for the IRONMAN® 70.3®-branded Races); a sixty (60) Second Time Penalty (for the IRONMAN®-branded Races); a (five) 5:00 Minute Time Penalty, disqualification from the Event, suspension from multiple Events, or expulsion for life from all Events;

(b) Race Referees will notify athletes of a rule violation by showing the athlete a colored card in combination with a verbal directive. Penalty card colors and their associated penalty is as follows:

(i) Yellow Card: means, as applicable, a Thirty (30) Second Time Penalty for IRONMAN® 70.3®-branded Races and a Sixty (60) Second Time Penalty for IRONMAN®-branded Races;

(ii) Blue Card: 5:00 Minute Time Penalty; and

(iii) Red Card: disqualification;

(c) The nature of the rule violation will determine the type of penalty;

(d) A suspension or an expulsion will occur for serious violations of the Competition Rules (the severity of Competition Rule violations shall be determined by the Head Referee in consultation with the Global Head Referee, in their sole and absolute discretion);

(e) The most common rule violations and penalties are set forth in Appendix A; and

(f) In any circumstance where a Race Referee deems an unfair advantage has been gained by an athlete, or if a Race Referee determines that an athlete has intentionally or recklessly created a dangerous situation, such Race Referee may, at the Race Referee’s discretion, assess penalties to or disqualify athletes (even if such violations by the athlete are not expressly set forth in the Competition Rules).

Section 3.02 TIME PENALTIES

(a) For purposes of clarity and for the athlete’s convenience, certain Competition Rules may include a corresponding time penalty or disqualification penalty indication in parenthesis following the Competition Rule. However, the absence of a corresponding penalty with respect to any rule does not preclude Race Referees from issuing a penalty for the violation of any such rule. Each applicable penalty (if one is expressly stated in these Competition Rules) may be stated within the context of the rule or may be stated in parentheses following the rule (e.g., “30 or 60 Second Time Penalty (as applicable)”, “5:00 Minute Time Penalty”, or disqualification “DSQ”);

(b) Race Referees are not required to give athletes a warning before issuing a penalty;
(c) Swim-course time penalties will be served in the swim-to-bike transition area (“T1”) under instructions from a Race Referee;

(d) Bike-course time penalties will be served in a designated Penalty Tent (“PT”). The location of the PTs will be stated in the Event-specific Athlete Information Guide. It is the athlete’s responsibility to report to the next PT on the course. Failure to stop at the next PT on the bike course will result in disqualification;

(e) Run-course time penalties will be served at the point of the rule violation, under instructions from a Race Referee (there are no PTs on the run course);

(f) A blue card will be used for drafting violations and intentional littering, and a yellow card will be used for certain other rule infringements;

(g) When a rule violation is issued by a Race Referee with respect to conduct on the bike course, the Race Referee will:
   (i) Notify the athlete that the athlete has received a yellow card, blue card, or red card and will show the athlete the corresponding card; and
   (ii) Instruct the athlete to report to the next PT on the course.

(h) When cited for a rule violation on the bike course, the athlete must:
   (i) Report to the next PT and tell the PT official the color of the card received. If the athlete fails to report to the next PT or fails to report the correct color of the card, the athlete will be disqualified;
   (ii) Have bike numbers marked by the PT official with a slash (/);
   (iii) Register on the PT sign-in sheet;
   (iv) Upon receiving a yellow card, resume the Race only after remaining in the PT for the 30 or 60 Second Time Penalty (as applicable) (and only after completion of (ii) and (iii) above); and
   (v) Upon receiving a blue card, resume the Race only after remaining in the PT for 5:00 Minutes (and only after completion of (ii) and (iii) above).

Section 3.03 DISQUALIFICATION

(a) Any athlete who accumulates three (3) blue cards will be disqualified. If disqualified, an athlete may finish the Race unless otherwise instructed by a Race Referee;

(b) A red card may be issued to an athlete for severe rule violations including, but not limited to, repeated rule violations, disregard for directives given by Race Referees or Race Officials, or dangerous or unsportsmanlike conduct; and
(c) Disqualified athletes will not be eligible for age-group awards including, without limitation, IRONMAN World Championship slots or IRONMAN 70.3 World Championship slots. Timing splits will not be listed for disqualified athletes.

Section 3.04  SUSPENSION

(a) A suspension may be issued for fraudulent conduct or certain rule violations including, but not limited to, illegal transfer of entries, repeated rule violations, intentional course cutting, or dangerous or unsportsmanlike conduct;

(b) Suspensions will be assessed by the Global Head Referee based on information submitted by the Head Referee or the Event Director;

(c) Suspensions will be issued by the Global Head Referee for periods of no less than three (3) months and not exceeding four (4) years, depending on the severity of the violation(s);

(d) Suspended athletes will be prohibited from competing in any Event and any other event affiliated with IRONMAN during the suspension period;

(e) Suspended athletes will be notified, in writing, by the Global Head Referee. IRONMAN will notify the World Triathlon and the relevant National Federation of the athlete’s suspension; and

(f) A list of common rule violations that may result in a suspension are set forth in Appendix A.

Section 3.05  EXPULSION

(a) An athlete may be expelled for life from competing in any Events or any other IRONMAN affiliated events if the athlete repeatedly violates the Competition Rules, is repeatedly disqualified from Events, or if the athlete is repeatedly suspended from Events;

(b) Expelled athletes will be notified, in writing, by the Global Head Referee;

(c) The World Triathlon and relevant National Federation will be notified of the athlete’s expulsion.

Section 3.06  RIGHT OF PROTEST OR APPEAL

(a) The athlete’s right to protest or appeal, if any, will be governed and handled by the Event’s sanctioning body, and/or the competition rules of the relevant National Federation, provided, however, that if no formal process exists for the applicable National Federation then IRONMAN may elect to handle protests and appeals for such Event in a manner that is substantially similar to the process set forth by the then-current World Triathlon Competition Rules;
(b) No protest may be filed with respect to matters which were observed by or previously ruled upon by a Race Referee. No person may file a protest which requires a judgment call. A "judgment call," as used in these Competition Rules, means the resolution of a dispute involving one or more material facts that cannot be determined with certainty solely through the production of tangible physical evidence. The term "judgment call" shall include but shall not be limited to a resolution of:

(i) any purported violation of the cycling position foul rules (including alleged drafting violations);
(ii) allegations of blocking, obstruction, or interference; or
(iii) allegations of unsportsmanlike conduct.

(c) Appeals by athletes penalized for judgment calls will not be considered.

Section 3.07 REINSTATEMENT
Following any suspension period, the suspended athlete must request, in writing to the Global Head Referee, and receive IRONMAN’s approval prior to resuming participation in any Event.

Article IV. SWIM CONDUCT

Section 4.01 GENERAL

(a) Each swimmer must wear an official swim cap provided by the Race Officials. Failing to wear a swim cap at all times during the swim segment of the Race may result in a time penalty enforced by Race Referees after the swim segment in T1.

Race Officials and medical personnel reserve the right to remove athletes from the course if such removal is determined medically necessary;

(i) It is the sole responsibility of each athlete to know and follow the prescribed swimming course. No adjustments in times or results will be made, for any reason whatsoever, for athletes who fail to follow the proper course;

(j) Indecent exposure/public nudity is prohibited at all times during an Event; (DSQ) and

(k) Swim course cut-off times will be stated in the Event-specific Athlete Information Guide.

**Section 4.02 WETSUIT RULES**

(a) For age-group athletes, relay team athletes and Open Division athletes, wetsuits may be worn in water temperature up to and including 24.5 degrees C/76.1 degrees F (DSQ) (*Please note: If the water temperature is above 24.5 degrees C/76.1 degrees F (but is less than or equal to 28.8 degrees C/83.8 degrees F) then, with respect to certain Events (e.g., Events sanctioned by USA Triathlon (“USAT”)), IRONMAN may, in its sole discretion, allow age-group athletes to wear wetsuits and participate in a separate non-competitive wetsuit wave/division, provided, however, that such athletes participating in the designated non-competitive wetsuit wave/division will not be eligible for age-group awards including, without limitation, IRONMAN World Championship slots or IRONMAN 70.3 World Championship slots*);

(b) The use of wetsuits is prohibited in water temperatures greater than 28.8 degrees C/83.8 degrees F;

A “distractive manner” includes but is not limited to making and receiving phone calls, sending and receiving text messages, playing music, using social media, and taking photographs. Using a communication device in a distractive manner during the Race will result in disqualification; and

(c) Cameras, phone cameras, and video cameras are prohibited unless permission is given by IRONMAN. If such permission is given by IRONMAN, it is the athlete’s responsibility to notify the Head Referee of such permission prior to the start of the Race. Athletes seen with an unauthorized camera, phone camera, or video camera will be disqualified.

Article V.  BIKE CONDUCT

Section 5.01  GENERAL

(a) The bicycle shall be propelled solely, through a chainset, by the legs moving in a circular movement, without electric or other assistance. Other than pushing or carrying a bicycle, any propulsive action brought on by use of the hands is prohibited (except with respect to PC Open athletes and HC athletes in accordance with Article VIII and Article IX); (DSQ and indefinite suspension)

(b) Athletes must not make any forward progress unaccompanied by their bicycle. If a bicycle is rendered inoperable, an athlete may proceed on the cycling course,
running or walking, while pushing or carrying the bicycle, so long as the bicycle is pushed or carried in a manner not to obstruct or impede the progress of other athletes; (DSQ)

(c) It is the sole responsibility of each athlete to know and follow the prescribed cycling course. No adjustments in times or results will be made, for any reason whatsoever, for athletes who fail to follow the proper course;

(d) All athletes must obey all traffic laws while on the cycling course unless otherwise specifically directed by a Race Referee or Race Official with actual authority. Unless otherwise directed in accordance with the preceding sentence, all athletes must come to a complete stop when required by a traffic sign or traffic control device and must not proceed through any intersection unless such intersection is clear of oncoming traffic. In no case can a cyclist cross a solid yellow line indicating a no passing zone unless specifically directed to by a Race Referee or Race Official with actual authority; (30 or 60 Second Time Penalty (as applicable) or, depending upon severity of violation, DSQ)

(e) No cyclist shall endanger herself/himself or another athlete. Any cyclist who intentionally or recklessly presents a danger to any athlete or who, in the judgment of the Head Referee, appears to present a danger to any athlete will be disqualified;

(f) All athletes are required to maintain control of their bicycle and to operate at a reasonable speed so as not to threaten the safety and well-being of aid station volunteers, other competitors, Race Officials, the public, and/or spectators. Operation of a bicycle in a dangerous or reckless manner will be grounds for disqualification;

(i) Length cannot exceed two meters, and width cannot exceed 75 centimeters;

(ii) The distance from the ground to the center of the chain wheel axle must measure at least 24 centimeters;

(iii) A vertical line touching the front most point of the saddle may be no more than 5 centimeters in front of and no more than 15 centimeters behind a vertical line passing through the center of the chain wheel axle. The cyclist must not have the capability of adjusting the saddle beyond these limits during the Race;

(iv) The “front-to-center” distance, which is defined as the distance between a vertical line passing through the center of the chain wheel axle and a vertical line passing through the center of the front axle, must measure not less than 54 centimeters, except where the distance between the center of the chain wheel axle and the top of the saddle is less than 71 centimeters (in this case the front-to-center distance cannot be less than 50 centimeters). The “front-to-center” distance must not measure more than the 65 centimeters, or seven eighths of the distance between the center of the chain wheel axle and the top of the saddle, whichever is greater. Applicability of the two foregoing exceptions is determined by measuring from a point on top of the saddle which is 14 centimeters behind the front most point of the saddle.

(b) Protective screens, fuselages, fairings, or any other devices or materials (including duct tape) added or blended into the structure with the intent to reduce (or having the effect of reducing) resistance to air penetration are prohibited. Aerodynamic assemblies and protuberances on the head tube or elsewhere are prohibited. Provided that the use of adhesive tape (including duct tape) does not fundamentally alter or enlarge the general shape of the structure, adhesive tape may be affixed to the bike (e.g., to cover valve cutout of the rear disc wheel, to cover bolts access, etc.); (DSQ)

(c) Except as otherwise determined by the Event Director in the interest of safety, the front wheel may be of a different diameter than the rear wheel;

(d) Handlebars and stem must be fashioned to prevent any danger. All handlebar ends must be solidly plugged to lessen the possibility of injury; (30 or 60 Second Time Penalty (as applicable) or DSQ if not remedied promptly); and

(g) All aspects of the bicycle must be safe to the rider and to other athletes in the Race. Minimum safety standards include, but are not limited to, meeting or exceeding the standards of a reputable safety standards organization (such as CPSC, ISO, or other equally reputable safety standards organizations), properly glued and sealed tires, tight headset and handlebars, and true wheels; and

Athletes may enter the draft zone of another athlete when passing and must continuously progress through the draft zone. A maximum of 25 seconds will be allowed to pass through the zone of another athlete; (5:00 Minute Time Penalty)
(i) Prior to entering the draft zone of another athlete, professional athletes must move to the side of the athlete being overtaken (i.e., no slipstreaming). Failure to do so will result in a drafting violation; (5:00 Minute Time Penalty)
(c) Athletes must remain outside of the draft zone (6 bike lengths between bikes) except when passing. Failure to do so will result in a drafting violation; (5:00 Minute Time Penalty)
(d) A “pass” occurs when the overtaking athlete’s front wheel passes the leading edge of the front wheel of the athlete being overtaken;

Section 5.05 PENALTY TENT
(a) All bike-course time penalties will be served in a designated Penalty Tent ("PT"). The location of the PTs will be stated in the Event-specific Athlete Information Guide. After a rule violation is issued to the athlete, it is the athlete’s responsibility to report to the next PT on the course.
