- C. Concessions help is needed and will be scheduled throughout the season. We encouraged members to work concessions stands at either location (Benson or Morris).
- D. Please be honest with the time your are recording. The objective is to relieve the workload that it takes to complete a season and try to keep the work evenly spread across the members. This is a way for the Associations to keep costs down.

Should you have any questions about the duties, please ask someone or talk to a board member.

I have read the above volunteer agreement and agree to the policy laid out within it. I understand that I am responsible to complete the specified work hours listed based on number of children in the program. If I have not completed these hours, I understand that I will be billed and responsible to pay them before my child registers for the following season.
