

This *Parent/Guardian Agreement* clearly outlines the responsibilities and liabilities associated with participation in SCVAA programs. Here are the key points summarized for clarity:

1. **Rules Compliance:** Both the player and parent/guardian agree to abide by SCVAA rules and regulations, including those of affiliated organizations and sponsors.
2. **Player Assignment and Registration:** SCVAA has the authority to assign players, approve coaches, and limit team sizes.
3. **Acknowledgment of Injury Risks:** The parent/guardian acknowledges potential injury risks associated with sports participation.
4. **Release and Indemnity:** In exchange for participation, the parent/guardian releases SCVAA and affiliated parties from liability for injuries that may occur during activities or transport.
5. **Responsibility for Safety:** The child's safety remains the parent's responsibility, even during SCVAA events, with SCVAA responsible solely for organizing and scheduling activities.
