From: David Hackney, Director of Athletics

Date: August 28, 2022

Subject: Athletic procedures for positive COVID cases

To maintain consistency with district policies and procedures we will implement the following protocols as it relates to positive COVID cases.

1. Athletes that test positive are required to sit out for 5 days.
  - a. The student athlete may return on 6th day if symptoms have improved. We are recommending the student athlete mask upon return until day 10.
2. We are no longer contact tracing, however student athletes considered close contacts can continue to participate if they have no symptoms but should mask for 10 days.
  - a. If anyone develops symptoms, they should not practice/play
