

Raccoon Craft

Materials Needed:

- Raccoon Mask Printout
- Crayons or Markers
- Safety Scissors
- 12 inches of Elastic Cording
- Optional: 1 inch circle punch

Instructions:

1. Color the raccoon mask using markers or crayons.
2. Cut out your mask using safety scissors.
3. Cut out or hole punch the black circles so that you can see out of your mask. You may need a grown-up to help you with this part!
4. Tie the elastic piece to both sides of the mask, making sure that it will be tight enough to stay around your head.
