- Fundraising
  - Tag Day? – *No tag day, at least not the same as years past due to COVID-19. Other fundraising options being reviewed are Little Caesars Pizza Kits, Aroma Joes punch cards – JC will supply more information on costs with these items. Another proposed option is bottle redemption through the Clynk service at Hannaford. John has bags that can be handed out, CYMHA already has an account that bottle money can be added to*
  - Bourque Jersey – *require all players to sell a minimum of 5 tickets = \$50 or same as previous opt out fee. Will remove opt out fee for this season.*
  
- Pamphlets out to schools? – *most likely not allowed in schools this year, will work on post via social media, Amy will develop and share. Refer a friend contest, possibly work with Joseph's for branded merchandise to give as awards. JC will write up proposal for next meeting or sooner.*
  
- Taste? – *moved to Oct 11, will use as Adult LTP fundraising/recruitment. Tyler will plan. Sell tickets for jersey's and contest for hardest shot.*
