Updated Spit Guard Advisory

The Hockey Equipment Certification Council (HECC) has issued a list of approved “spit guards” that some manufacturers have developed, claiming that they reduce the spread of the COVID-19 virus. The list of HECC-approved spit guards is provided below, and the direct link to the list may be found at <http://hecc.org/certsplashguards.html>. If, however, a player decides to wear a spit guard that is not approved by HECC, doing so voids the HECC certification of helmet. See the HECC statement at <http://hecc.org/spitguards.html>. The list of HECC-approved spit guards is as follows:
