\$1000 Sponsorship

Marshall Amateur Hockey Association hosts six home tournaments this season. Marshall will also likely play host to three additional district/regional tournaments towards the end of the season. These tournaments will bring in over 100 teams and roughly 1500 athletes and their families from around the 5-state region. MAHA consists of nearly 200 athletes from over 130 local families. MAHA has seen consistent growth in the number of kids playing hockey. MAHA takes pride in our tournaments and is proud to offer a best-in-class tournament experience for the participating families.

With this sponsorship you will receive the following:

- Personalized Ad that shows on the Action Rink video board on a rotating basis throughout every tournament. This allows you to communicate daily specials, weekend specials, or hockey tournament specials directly to tournament participants and families throughout the entire tournament.
- Advertisements would recommend calling ahead for team group reservations to help prepare you for the time and number of people that you should expect.
- Your business listing will be printed in the tournament program and sent out ahead of time to the teams that are involved in the tournament. There will also be social media recognition of your sponsorship throughout the year!
- Communication from MAHA of all tournaments that will take place in Marshall to help you determine your staffing needs on tournament weekends.
- MAHA is looking to partner with local establishments to bring the best possible experience to families that come to Marshall for our tournaments. We know that dining options and experiences are all part of having a great tournament experience.
