Dear Cherokee Trail Lacrosse Community,

The 2019 lacrosse season is underway, and I am thrilled to see our teams take the field. Coach Jamie Calhoun and his coaching staff and players have spent countless hours preparing for competition in the 5A Centennial League. CT lacrosse celebrates many successes over the past 15 years and I am confident that Coach Calhoun and his staff will continue the excellence that is Cougar Lacrosse. They take pride in our program, and they are committed to the success of our student athletes.

I would like to thank the CT Lacrosse Boosters, as well as other CT parents, for their ongoing support of our program. Our student athletes benefit when we work together as a school community on their behalf. I also want to thank our team managers, staff and a student body for their support of the lacrosse program. We have a rich tradition of CT spirit. I encourage you to wear your CT Spirit Wear to show support for our school and our teams.

I encourage all CT lacrosse supporters to continue to model positive and supportive behavior toward our students, staff, coaches, officials and opponents. I am always proud of our students and proud of the way we all represent the CT community.

Finally, I want to thank every young man that participates in our lacrosse program. I hope you will take all that you have learned as a student athlete and appreciate that participation in sports is more than the record at the end of a season. You will manage the demands of the classroom with athletics, challenge yourself and others to improve, persevere through difficulties, take responsibility when you let your team down and celebrate your success with grace and humility. Never forget you are doing more than succeeding as lacrosse players; you are becoming wonderful young men!

I look forward to watching our players and coaches achieve their goals this year. Have a wonderful season!

Go Cougars!

Jean Incitti
