NEWSLETTER

WGBA Families, I hope everyone is happy and healthy during the crazy hoops season. We are so pumped to be back on the courts and have all of our programs up and running. Our Board of volunteers have done a tremendous job of getting our kids back and playing again. As you can tell with your schedules, we have had to juggle a lot of different factors this year on the Travel and Rec. side. We appreciate your flexibility and willingness to help us with this. We have so many wonderful volunteers who go over and above. We are having tremendous success on the court this season so far. Many teams have won at least one tournament and week in and out we show our strength as a club in each grade. Please continue to help us mitigate risk of COVID shutting us down by wearing masks, washing hands, and filling out the Covid form online. Continued success. WGBA BOARD

TEAM of the MONTH

Wayzata 7-2 team started off as two different groups of girls who played together last season, plus a new addition who joined us from out of state and has quickly jelled into a cohesive group who have been a force this season. With more than one game in which all girls scored, 7-2 has shown a fantastic mix of aggressive defensive play, unselfish offensive play, and just plain smart basketball. At the start of the season, we aimed to have every girl improve over the season. Already, Coach says it's done. Every single player on this team has improved her ball-handling skills, her rebounding and her shooting. What a great season already!

KEY DATES

3/6-3/7: Wayzata Classic Travel Tournament (updates on Volunteer hours to come)
