

Shakopee Youth Wrestling Tournament Schedule 2024-2025

Below is a breakdown of this year's tournament schedule. These are selected tournaments where we will have youth coaches in attendance. While you may select additional individual tournaments based on your athlete's individual goals and level, we encourage our wrestlers to travel together, wrestle together, and support one another!

Please RSVP on Sports Engine (Weekend Tournaments) throughout the season for tournaments you will be attending so we can respond to coach staffing needs.

Information on below and other *non-coached* tournaments can be found at:

Important

Changes to the schedule may occur based on coach availability, wrestler availability, or changes by tournament hosts. The "Weekend Tournaments" group in Sports Engine and weekly emails will be your most accurate source of information.
