

2018 Shoot-A-Thon

Date: Sunday, October 28, 2018

Time: TBD - Check your team page for times closer to the date

Location: CRHS Fieldhouse

During the Shoot-A-Thon, each player will be asked to take 100 free throws, rotating shooting with other teammates. We will have volunteers on hand to track their shots. The money raised during our 2018 Shoot-A-Thon will benefit the entire program and organization. This is our only fundraiser for the entire season, and we ask that all players participate.

Our goal this year is to raise \$6,000. To reach our goal, and to challenge each player, we will require a minimum donation of \$25 per player. Many families do this by a straight forward donation up-front, and just bring the minimum of \$25 to the Shoot-a-Thon. If you would like to maximize your fundraising and compete for prizes, you can request donations for a certain amount per shot made, and we will have you turn in your donations to your coach at a team practice no later than November 12th. Checks can be made out to CRCBC.

We will award the following prizes (one prize per player):

- The player that raised the most money for the girls program
- The player that raises the most money for the boys program
- The player that raises the most money for their team (minimum of \$50)

We will recognize the achievement of:

- The player that makes the most free throws in the girls program
- The player that makes the most free throws in the boys program
- The player that makes the most free throws on their team

Award will be given out on Youth nights: Girls- December 14th at 6pm. Boys- December 27th at 6pm.

The Shoot-A-Thon is a great opportunity to have the players work on their free throws, build team camaraderie, and help our organization purchase new equipment, apparel, and coaching necessities. It will also help with the cost of tournament fees.

Thank you for participating in our Shoot-A-Thon!
