### Gift Giving

The boards & glass in the current rink were donated by the National Hockey League Players Association (NHLPA).

The “extras” in BCA lobby were largely donated either completely or in part. You can’t miss the beautiful fireplace, recognition wall, and Paul and Babe. Have you also seen the State of Minnesota (look up!) or Paul & Babe in the floor?

All Ax Grinder skate sharpening equipment was donated and 100% of the Ax Grinder income is applied to lower ice time fees.
