

Hello tackle football coaches,

This season all coaches, team managers, and sideline staff must go through the full steps of certification. Utilize the coaching links to make sure everyone is fully certified.

1) Each person will be required to pass a background check. Background checks are done online by going to <https://nysnevada.quickapp.pro/positions>

Next screen scroll down to select Pahrump Trojans.

-Payment for background check is done directly online. It cost \$10.

. Note that all Coaches and Team Managers MUST upload pictures of themselves on their account.

3) CERTIFICATIONS

Every coach and Team Mom must complete the concussion course.

Print or save PDF of certificate and email to pahrumpyouthsports@gmail.com

Upon completion, load Heads Up app to phone for concussion protocols.

4. All tackle coaches must be certified by completing an online course:

Reminder that all coaches must submit their certificate of completion for the **Heads Up Coaches CDC** AND the **AYF certification**. We have to send them in to NYS. You will not be able to coach without your certs, and the background check.
