### \*\*\*Special Notes from Tom Bauman\*\*\*

Administration is feeling more confident with the new field after having the first season 2016. Jr. Bison Nights: Yes make those nights happen! Great idea Coach. 12 minute halftimes will be standard. Players can get in free with paying parent. Cheerleaders would like to come. (exciting news) Bob Sansevere's wife, Mary, will give that program direction. Three things he would like them to obtain: Work with the student section, have appropriate dress (some of the cheerleaders are as young as 7th grade.) understand the game for their safety and appropriate cheers at appropriate times. Basketball has committed \$3000 to the cheerleaders. Anything

the boosters have planned must be worked in due in part to the supporters on the screen. 4 biggest supporters are Alina, J&J, Centra Sota, Ryan Chevrolet. Boosters will leave the Homecoming game open-Great! School has some things planned for the court and if anyone else asks then it is available. Bob Bursch asked for a key to have appropriate access for clean up after our games (cookie sheets, etc.) Picture night-Yes, that can happen again. Purple Pride Scrimmage-yes. S-P-T night will do at the beginning of the game. Jr. Bison will be at halftime. If football boosters are not doing fireworks, student council has asked about doing them. If we get the Applebee's Footballs again we need to let Tom know for advertising purposes and safety. Final Thoughts: Online fundraising-think about it. Always inform people where their donations are going. Tom will replace one of our Z-shade tents. Shed shelving-make a plan for storage this fall.
