

NEWS FOR THE HAMILTON SPORT COMMUNITY

Hamilton 2026 Commonwealth Games

As President of SportHamilton, I participated in the recent update meeting of the Hamilton 2026 Commonwealth Games via ZOOM and I am excited to share it with you. The meeting lasted almost 90 minutes and it was very informative, fuelled by high energy.

Collectively, we believe that these Games are a once in a life-time opportunity to not only host a significant sport and cultural event but to provide a legacy that will benefit our community for decades. I assure you this bid is so much more than sports and sports venues. It will provide much needed infrastructure, affordable housing, jobs and transportation network needed in this economic recovery time.

SportHamilton truly values being part of the Hamilton 2026 Commonwealth Games Bid Corporation planning team. SportHamilton fully supports the 2026 Commonwealth Games and is committed to bringing the Games home to Hamilton!

Multi-Sport Indoor Facility Project and Feasibility Study

JULY 23, 2020 UPDATE

CLICK HERE to view an Information Report in response to the City Staff report presented to Emergency and Community Services Committee in June, 2020. This is a comprehensive summary of Investing in Canadian Infrastructure Program and the request made to Hamilton City Council by the Hamilton Collaborative Partnership Group outlining the details and business plan for the Multi Sport Indoor Facility Project.

The support of all Hamilton sport groups would be greatly appreciated for this much needed sport facility to be built for the Hamilton and surrounding area community.

Please contact your Member of Provincial Parliament to encourage them to support this project as soon as possible.
